

Weston Town Report

1964

TOWN RECORDS 1964

AND

REPORTS

OF THE

TOWN OFFICERS

OF

WESTON

MASSACHUSETTS

For The Year Ending December 31, 1964

NORWOOD PRINTING CO., INC.
NORWOOD, MASSACHUSETTS

The Cover

For 1964 the annual contest among students of Weston High School Art Classes for a cover design for the report was resumed. The cover design which appears on this report was selected as the best of those submitted and was drawn by Miss Susan Revotskie, Class of 1965.

The designs submitted by Miss Kathryn M. Donaldson, Class of 1965, and by Miss Sue A. Hosterman, Class of 1965, were selected to receive honorable mention.

WARRANT
for
ANNUAL TOWN MEETING
1965

Commonwealth of Massachusetts
Middlesex, ss.

To any Constable of the Town of Weston, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the voters of said Town, qualified to vote in elections and town affairs, to meet in the Town Hall in said Town on Saturday, the twenty-seventh day of March, 1965, at 8 o'clock a.m. to act on Article 1 of this warrant; and to meet in the auditorium of the Senior High School in said Town, and also in the gymnasium of the Senior High School if the number of voters in attendance shall exceed the capacity of the auditorium, on Monday, the twenty-ninth day of March, 1965, at 8 o'clock p.m. to act on the remaining articles of this warrant.

Article 1. To bring in their votes for the following town officers to be voted for on one ballot:

A moderator	For term of One year
One selectman	Three years
A town clerk	Three years
One member of the board of public welfare	Three years
One assessor	Three years
Two members of the school committee	Three years
One member of the school committee (to fill vacancy)	Two years
A treasurer and collector	One year
One library trustee	Three years
One member of the board of health	Three years
One commissioner of trust funds	Three years
Three measurers of lumber	One year
One water commissioner	Three years
One member of the planning board	Five years
A tree warden	One year
Two members of the recreation commission	Three years

The polls will be opened at 8 o'clock a.m. and may be closed at 6 o'clock p.m.

Article 2. To raise and appropriate such sums of money as may be necessary to defray the costs of government and other town charges for the current year; and to fix the salaries and compensation of elected officers of the Town for the current year.

Article 3. To authorize borrowing of money in anticipation of revenue and issuance and renewal or refunding of a note or notes therefor.

Article 4. To transfer money from the overlay reserve fund to the reserve fund.

Article 5. To appropriate money from available funds for the purpose of deduction by the assessors in determining the annual assessment of taxes in the current year.

Article 6. To appropriate for the support of the Public Library the dog license refund received in the current year and available money from State aid for the Public Library.

Article 7. To appropriate money from available funds in anticipation of state and county reimbursement for chapter 90 highway maintenance and construction.

Article 8. To appropriate money, to be provided by borrowing and/or by taxation and/or from other sources, for laying or relaying water mains, and to authorize the issuing of bonds or notes.

Article 9. To appropriate additional money (including any available unexpended balance or balances) for construction of a pumping station, installation of pumping station equipment, and installation of water mains incidental to the Town's admission to membership in the Metropolitan Water District and connection of the Town's water system with the District's water system.

Article 10. To amend Section 10 of Article II of the By-laws to read substantially as follows:

Section 10 (a). There shall be a Finance Committee composed of nine citizens of the Town, who shall serve without pay and shall not, while serving on the committee, hold any other town office. The Moderator, after the annual town election in 1966 and prior to April 30, 1966, shall appoint two members of the committee for terms of three years, two members for terms of two years, and two members for terms of one year; and annually thereafter, following the town election and prior to April 30, shall appoint two members for terms of three years. At the annual town election in 1966 one member shall be elected for a term of three years, one member shall be elected for a term of two years, and one member shall be elected for a term of one year; and at each annual town election thereafter one member shall be elected for a term of three years. In 1966 and thereafter the official ballot used for the election of town officers shall include the office of member of the committee in accordance with the foregoing. The term of each member shall commence on April 30 in the year

of his appointment or election, and he shall hold office for the term for which he was appointed or elected and until another person shall be qualified in his stead. As to an appointive member a vacancy shall be filled by the Moderator for the unexpired term. As to an elective member a vacancy shall be filled by the remaining elective members and the selectmen in accordance with General Laws, chapter 41, section 11. All terms of membership on the committee existing prior to April 30, 1966, shall end on that date.

(b). The committee may confer with town officers and committees and may hold public hearings; and shall, prior to each annual town meeting, confer with the Selectmen for consideration of the annual budget. The committee may consider all financial and other questions coming before the Town for action or affecting the interests of the Town, and may at any time make reports or recommendations to town officers or committees or to the voters, which shall be published at the expense of the Town if the committee so requests.

Article 11. To increase the number of members of the school committee from five to seven and to provide for the election of the additional members.

Article 12. To adopt substantially the following standing vote: that the assessors' valuation list, in the form of the list published as of January 1, 1963, be published once every year, and that the selectmen for each publication determine the number of copies to be prepared, the method of making them available to the public, and the charge, if any, for them.

Article 13. To repeal Section 9 of Article II, of the Town By-laws which reads as follows:—

Section 9: No person shall distribute or display posters, hand-bills, placards, pamphlets, or other advertising matter within the limits of any highway, or other public property in the town without first obtaining a written permit therefor from the Selectmen.

on the grounds that this by-law is unconstitutional under the Constitution of the Commonwealth of Massachusetts and the Constitution of the United States of America.

Article 14. To take action respecting an unrestricted legacy given to the Town in the will of B. Loring Young.

Article 15. To take action respecting a legacy given to the Town in the will of Austin S. Hale with a request that it be used "for youth activities."

Article 16. To establish a special committee to study and investigate the plant, facilities, physical needs, and sites of the public schools, and to appropriate and/or transfer money for the use and purposes of such committee.

Article 17. To appropriate money for construction and original equipping and furnishing of an addition to the Senior High School.

Article 18. To establish a special committee to study and investigate the whole problem of sewage treatment and disposal, and to appropriate money for the use and purposes of such committee.

Article 19. To establish a special committee to study and investigate the plant, facilities, physical needs, and sites of the fire department and the police department, and to appropriate money for the use and purposes of such committee.

Article 20. To accept any or all of layouts of Fairview Road, Surrey Lane, Country Drive, Lawrence Road, Black Oak Road, Nobscot Road, and Overlook Drive as public town ways made by and described in orders of the selectmen adopted on March 17, 1965, on file in the office of the town clerk.

Article 21. To amend the zoning by-law, Article VIII of the by-laws, by striking out subsection B of section VIII and inserting in place thereof a new subsection B reading substantially as follows: B. An appeal to the board of appeals may be taken by any person aggrieved by reason of his inability to obtain a permit from any administrative official under the provisions of the zoning statutes, or by any officer or board of the Town, or by any person aggrieved by any order or decision of the inspector of buildings or other administrative official in violation of any provision of the zoning statutes or of this by-law. An appeal to the board of appeals shall be taken within thirty days from the date of the order or decision appealed from, by filing a notice of appeal, specifying the grounds thereof, with the town clerk.

Article 22. To amend the zoning by-law, Article VIII of the by-laws, and the zoning map on file in the office of the town clerk entitled "Zoning Map, Town of Weston, Massachusetts, as amended 1954" and constituting a part of the zoning by-law, substantially as follows:

(1) By changing, in section IV, subsection A, the word seven to read eight.

(2) By inserting, in section IV, subsection A, the following new classification: 8. Office and research districts.

(3) By inserting in section V a new subsection CC as follows: CC. OFFICE AND RESEARCH DISTRICTS. In these districts buildings, structures, and premises may be used for one or more of the following purposes:

1. Church or other religious purpose.
2. Educational purpose.
3. Public purpose including municipal purpose.
4. Office or office building.
5. Research establishment.
6. Any use which is incidental or accessory to the foregoing, including, in the case of a research establishment, light manufacturing not for production.

No building, structure or premises, in whole or in part, shall be used in the office and research districts for any purpose other than those above specified in this subsection, except that in appropriate instances and subject to the provisions of section VIII, subsection C, the board of appeals, by special permit in each instance, may allow use thereof for any other purpose which the board determines to be similar to one or more of those above specified and consonant with the character of the district, but not for residential purposes.

The following regulations shall be applicable in the office and research districts:

(a) Signs shall not be permitted except non-illuminated identification signs stating only the name or names of the occupant or occupants, not exceeding 100 square feet in area, and located, flush-mounted, on buildings.

(b) No outside storage shall be permitted except storage for refuse properly enclosed and screened from view.

(c) All setback areas and areas not used for parking, buildings, structures or driveways shall be suitably landscaped with lawns, trees, shrubs and other plantings, and shall be maintained in a slightly and well kept condition.

(d) Adequate maneuvering areas and loading facilities for trucks shall be provided on the lot for each building.

(4) By inserting in section VI a new subsection DD as follows:

DD. OFFICE AND RESEARCH DISTRICTS. In the office and research districts: (a) every lot shall have an area of at least 100,000 square feet; (b) no building or structure shall be situated less than 60 feet from the street side line; (c) the total area of all floors of the building or buildings on one lot shall not exceed 50 percent of the total area of that lot; (d) on each lot one parking space shall be provided for each 350 square feet or fraction thereof of the total area of all floors of the building or buildings on that lot; (e) no parking shall be permitted between a building and a street.

The board of appeals, by special permit in each instance, may allow exceptions to the foregoing requirements of this subsection DD where unusual circumstances are involved or where a literal enforcement of such requirements would involve substantial hardship or practical difficulties, and where desirable relief may be granted without substantially derogating from the intent or purpose of such requirements; and in granting such a permit the board may impose reasonable safeguards, conditions and limitations and may require reasonable security for their observance.

(5) By changing the legend and other features of the zoning map so as to indicate the additional classification office and research districts.

(6) By placing in an office and research district on the zoning map the area (heretofore in a residence district A) bounded northerly by the north line of Riverside Road, westerly by the east line of Park Road, southerly by the location of the Boston and Albany Railroad, and easterly by land of the Commonwealth.

Article 23. To amend the zoning by-law, Article VIII of the by-laws, substantially as follows:

(1) By adding at the end of section V, subsection B, a new paragraph consisting of the following sentence: In the business districts adequate maneuvering areas and loading facilities for trucks shall be provided on the lot for each building.

(2) By changing the title of section VI, subsection D, to read BUSINESS AND LIMITED INDUSTRIAL DISTRICTS.

(3) By adding to section VI, subsection D, the following new paragraph: On each lot in the business districts one parking space shall be provided for each 175 square feet or fraction thereof of the total area of all floors of any building or buildings or of any addition or additions to a building or buildings to be erected on that lot. The board of appeals, by special permit in each instance, may allow exceptions to the foregoing requirements of this paragraph as to parking space where unusual circumstances are involved or where a literal enforcement of such requirements would involve substantial hardship or practical difficulties, and where desirable relief may be granted without substantially derogating from the intent or purpose of such requirements; and in granting such a permit the board may impose reasonable safeguards, conditions and limitations and may require reasonable security for their observance.

Article 24. To amend the zoning map on file in the office of the town clerk entitled "Zoning Map, Town of Weston, Massachusetts, as amended 1954" and constituting a part of the zoning by-law, Article VIII of the by-laws, by placing in a limited industrial district certain land (formerly in a residence district B) of the Massachusetts Broken Stone Company containing 0.9 acre more or less, situated a short distance southeasterly of the intersection of the Clinton and Fitchburg Divisions of the Boston and Maine Railroad, and being the portion located in Weston of the parcel shown on a plan made by Charles H. Stimpson, Jr., Town Engineer, dated February 12, 1965, no. 2-3-10, entitled "Plan of a Parcel of Land of the Massachusetts Broken Stone Company".

Article 25. To approve the recommendation of the special public library expansion committee that a new public library building be constructed on Lamson Park; to discharge that committee; to accept, or request the enactment of, legislation authorizing and providing for use of Lamson Park for public library purposes and transfer of the

care, custody, management and control of Lamson Park to the board of library trustees for such purposes; and to authorize construction and equipping and furnishing, by a special committee, of a new public library building on Lamson Park and to appropriate money therefor.

And you are to serve this warrant by posting three attested copies thereof, at the Town Hall, at the Kendal Green railroad station, and on the town bulletin board at the junction of South Avenue and Newton Street, seven days at least before the time appointed for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the selectmen at the time and place of said meeting.

Given under our hands March 17, 1965.

EDWARD M. DICKSON

FLORENCE E. FREEMAN

HERMAN KOESTER, JR.

Selectmen of the Town of Weston

General Government

REPORT OF THE BOARD OF SELECTMEN

We remind you that the election of town officers will be held on Saturday, March 27, 1965, at the Town Hall for both precinct 1 and precinct 2; the polls will be open from 8:00 A.M. to 6:00 P.M. The annual business meeting will be held on Monday, March 29, 1965, at 8:00 P.M. in the auditorium of the Weston High School. In the event that a second session is required to complete action on the warrant it is planned to recommend the second session be held on Wednesday, March 31, 1965, at 8:00 P.M. at the High School.

The Town by-laws provide in effect that Town officers and committees shall recommend to the Selectmen appropriations for their respective departments and that the Selectmen shall recommend to the Town a complete budget for the year.

1965 BUDGET AND TAX RATE

The 1965 budget which we shall recommend will provide for total expenditures of about \$3,052,246, an increase of \$325,873, or 12%, over the 1964 budget. To the budget must be added an amount estimated at \$611,075 to cover such payments as principal and interest on debt, State and County charges, and appropriations under special articles in the warrant which must be raised by the Town from revenue. The combination of these amounts, \$3,663,321 is \$412,941 more than the comparable total for 1964, an increase of 12.7%.

As in past years, the Selectmen have prepared an estimate of the 1965 tax rate which might result from the adoption of these recommendations. We emphasize that it is an estimate and that the Board of Assessors has the responsibility for fixing the final tax rate. It is estimated that the tax rate for 1965 might be \$30.00 an increase of \$2.50 over the 1964 rate of \$27.50 per thousand dollars of valuation. This takes into account net additional revenue of about \$169,000 from increased motor vehicle and trailer excises, departmental revenue, and local taxes to be collected from new assessable property.

As the result of legislation adopted in 1963 a major revision of the valuation basis on which state tax distributions and state and county charges are calculated is effective for 1965. This was the first revision of the valuations since 1945. The effect is to increase the Town of Weston's share of Middlesex County Tax and of the Metropolitan Parks District Assessment at the same time that the total of state

income and corporation tax distributions is increased. Excluding the windfall distribution of corporation taxes received in 1964 (approximately \$35,000) the result of the changes is to leave the net amount of aid from the state (\$117,916) almost exactly the same as in 1964. Had there been no revision of the basic equalized valuations established by the Commonwealth the Town of Weston should have received an increase in net aid from the state for 1965.

The following table shows, by principal classifications, the amounts spent in 1964 and the amounts recommended, or, in the case of debt service and State and County charges, the amounts required, in 1965:

	1964 Spent	1965 Budget
General Government	112,440	123,457
Protection of Persons and Property	336,578	340,268
Health and Sanitation	17,666	26,890
Highways	196,372	215,945
Public Welfare	41,861	44,652
Libraries	59,827	58,847
Recreation and Parks	24,823	36,298
Water Department	85,587	88,138
Cemeteries	17,209	19,215
Retirement Fund, Insurance and Unclassified	124,760	109,612
Debt Service exclusive of schools	25,152	42,657
Total Other Than Schools	1,042,275	1,105,979
Schools	1,767,048	1,988,924
School Debt Service	348,889	368,459
Total Schools	2,115,937	2,357,383
Separate Articles in the Warrant (Est.)	—	60,000
Total Town Services	3,158,212	3,523,362
State Charges	28,279	44,247
County Charges	67,109	95,712
Totals	3,253,600	3,663,321

As in the past departmental budgets have generally been reviewed by the Selectmen, by subcommittees of the Finance Committee, by the Finance Committee as a whole and by the Finance Committee and Selectmen jointly.

Much time has been devoted to deliberations with respect to wages and salaries and fringe benefits for town employees. Spokesmen for several groups of town employees have presented requests for changes in rates of pay, hours and certain fringe benefits. Full and frank discussions have been held between the Selectmen and

these spokesmen. Our recommendations have been thoroughly discussed with the Finance Committee and we believe that they represent for 1965 a fair recognition of the needs and aspirations of town employees in the light of comparable rates of pay in other municipalities and private business establishments in this area and a fair recognition of our responsibilities to the taxpayers and general public interests.

The 1965 budget provides for increases in pay for town employees. For police patrolmen and fire fighters the increase is approximately 7.4%; for supervisory personnel somewhat higher percentages apply in order to maintain existing ratios of compensation for greater responsibilities. For hourly rated personnel of Highway, Water, and Park and Cemetery departments the budget provides for a reduction of normal work week from 45 hours to 42½ with a minimal increase in weekly gross pay, but the hourly rates are increased by approximately 7.6%. The budget provides for increases generally approximately 5% for other employees exclusive of teachers.

In the area of fringe benefits provision has been made to increase group hospitalization benefits at increased premium costs to be shared equally by the Town and the employee members of the group insurance program. It is anticipated that sick leave policy will be amended to permit permanent full-time employees to accumulate sick leave at the present rate of 15 days per year up to a maximum of 120 days instead of the existing maximum of 90 days.

In addition to the salary increases the following are some of the more important increases in the 1965 budget.

General Government

A new appropriation for Engineering Expenses has been included at \$4,000.00 Of this amount \$1,500 will permit the engaging of additional engineering services, if required, in connection with plans for highway projects which are not provided by the state or county; and \$2,500 is included to pay the Town's share of engineering costs anticipated in developing plans with the Massachusetts Turnpike Authority for improvements in South Avenue in the vicinity of Park Road and Newton Street.

Provision has been included in Town Hall Equipment for the replacement of an old offset duplicator and two typewriters, and the purchase of one additional typewriter.

Protection of Persons and Property

Approximately \$4,250 has been included in Police Department — Salaries for an additional patrolman to be appointed after the annual town meeting.

Fire Department — Salaries includes approximately \$4,250. for up to three additional permanent fire fighters, who are to be employed late in the year only if the progress on construction of a new fire station on South Avenue should require. Provision has been made

for increased number of hours of call-men and off-duty permanent men called back to fight fires based on the actual experience of the past two years. Provision has been made in Fire Department — Equipment for replacement of the fire alarm truck at an estimated cost of \$3,500.

Health and Sanitation

It has been necessary to provide a major increase of \$9,800 in Board of Health — Expenses to cover the Town's obligations for residents who are patients in the Middlesex County Hospital.

Highways and Bridges

In order to compensate for loss of man-hours as the result of reducing the work week from 45 to 42½ hours an additional laborer has been provided for after April 1, 1965 at a cost of approximately \$4,000.

Recreation and Parks

An item of \$1,000 has been included for use of the Recreation Commission to engage services of consultants to survey and make recommendations for improvements at the Memorial Pool.

Retirement Fund, Insurance and Unclassified

Although the total of this category is lower than 1964 there are two increases worthy of comment which are offset by decreases in a number of items. Insurance — Group Life, Accident and Health has been increased \$8,000 to cover increased numbers of employees who are members, increased rates for the present level of benefits effective since December 1, 1964, and increased premium costs anticipated to provide for increasing Blue Cross-Blue Shield benefits to the maximum permitted under Chapter 32B of the General Laws.

The appropriation for Conservation Fund has been increased by \$9,000 over 1964 to provide for anticipated acquisitions and a reasonable balance for potential acquisitions.

Schools

Excluding from the figures the non-recurring appropriation of \$53,140 voted in 1964 for repairs at Brook School the operating budget has increased by \$239,579. Of this amount Salaries accounts for \$223,779, Maintenance, Repair and Other Expenses for \$5,275, Transportation for \$8,034 and all other categories for \$2,491 of the total.

Debt and Interest

Debt and interest charges for 1965 have increased by \$37,438 as the result of borrowings effected during 1964 for the water department's new pumping station and connection to the Metropolitan District Water supply and for the School department for an addition to the Woodland School. Also included is an estimate for borrowing in anticipation of revenue which is about \$1,800 higher than actual costs of 1964. This may be reduced before the final tax rate is established.

MAJOR EXPENDITURE BUDGET 1965-1967

Your attention is directed to the Major Expenditure Budget for 1965-1967 which follows this report. It continues the practice of recent years.

OTHER MATTERS

During 1964 the problems facing the Selectmen increased in number and complexity. The major ones involved zoning by-law enforcement, sewage disposal, the dump, building construction, master drainage system, electric utility wires, road construction, and assessments.

Zoning: Among other things growth within the community has brought to a head many questions concerning the application of zoning restrictions to specific cases. The Selectmen insist upon equitable enforcement of the zoning by-laws recognizing fully that certain gray areas do exist. In some cases where complaints indicated that violations existed the Selectmen found in favor of the property owner, in others the violators were ordered to cease operations that brought about the complaints, and in one case the Town has initiated court action to halt an apparent violation.

The Massachusetts Broken Stone Company matter was hopefully brought to a conclusion. In January the Supreme Judicial Court sustained in every major aspect the decision of the Land Court rendered in 1962 upholding the Town's zoning classifications as applied to the Company's property. It further held that the Company is not entitled to bring in stone from outside for processing but is entitled to bring in fully processed stone for use only in the manufacturing of bituminous concrete. In June the Town entered into a consent decree with the Company which provided that asphalt plant No. 4 and the two aggragometers cease operation on December 31, 1964. The courts had held that the erection of these three plants was in violation of the zoning by-law.

Sewage Disposal: The Selectmen worked at great length in behalf of the residents of the Pine Brook Country Club area with the local Board of Health and the State Department of Public Health to reach an agreement with officers of the Club that they would undertake to rebuild the Club's sewage disposal system to prevent pollution of the brook flowing by and through the property belonging to these residents. Such redesign and reconstruction represents a major investment on the part of the Club; installation is expected to be completed in the next few months.

The problem of sewage disposal in the business and community center of town has been evident for some time, but became acute in May 1964 when the Board of Health confirmed that the pollution of the brook running under the Town Common to the east came from a source in the business area. Subsequently, the Board of Health asked the Selectmen to initiate a study of the sewage disposal problems in

this area. These problems arose independently from, but coincidentally with, efforts to work out a solution satisfactory to the Department of Public Health for sewage disposal for the contemplated Police-Fire addition to the central fire station. It must be understood that, such addition notwithstanding, there is and will continue to be a sewage disposal problem.

Nor can this problem be viewed without consideration of the ultimate development of the business and community center. Due concern must be given to the known requirements of existing facilities and to the estimated requirements of new public facilities, new private business construction and private non-commercial uses. As preliminary explorations of some of the aspects of this problem progressed it became apparent that the study should also include the sewage disposal requirements of existing and future public school plant on school sites located south of Route 20.

At the annual town meeting the Selectmen will recommend that a special committee be established to study these problems, with sufficient funds to engage engineering consultants qualified to make a complete and exhaustive study of the needs and alternative solutions. In the course of preliminary investigations several alternatives have been highlighted: a disposal area under the Town Common, which was given encouragement by Department of Public Health officials as a limited solution; disposal areas located elsewhere and probably substantially farther away from the sources of sewage; and a connection to the Metropolitan District Sewer system. The purpose of the study will be to evaluate these and any other alternatives and to recommend a solution which will best serve the interests of the Town.

Dump: Because of pressures from the State Department of Public Health, the burning at the dump became a matter of grave concern to the extent that air pollution and fire hazards were present. As a temporary measure, an open trench system is being used which gives an element of control.

The use of an incinerator either on a local or regional basis is being studied. In November, the Selectmen met with Mayor Gibbs of Newton and other city officials to explore the possibility of using part of the excess capacity of their new incinerator which will be constructed this year. This would involve transportation of refuse materials to the Newton incinerator. It is expected that within the next few months more definite proposals will be available.

New Construction: The addition to the Fire Station designed to encompass additional facilities for the Fire Department as well as a New Police Station has been beset by a series of problems leading to unavoidable delay in initiating construction. Considerable time was spent in the negotiations for procuring the land adjacent to the present station from the owners. Then sewage disposal in connection with the proposed building created problems. As time went on and

study of the plans continued, it became more and more evident that the old fire station was obsolete and the practicality of adding new facilities to the old building was open to serious question.

Furthermore, there were increasing indications of development for use of privately owned land in the area which would tend to increase rather than limit congestion. Consequently, rather than proceeding with a major addition to this building which would, in effect, commit the Town for an extended period of time, we believe the evidence strongly indicates that a review of the police and fire facility should be made even though some additional delay will be encountered. Therefore, the Town will be asked at the annual meeting to establish a committee to re-study the plant, facilities, physical needs, and sites of the fire and police departments. It will be requested that this committee make its report within a six-month period so as to keep delay to a minimum. Changing times bring changing conditions and it is recognized that pursuit of a program which has been authorized, but which has developed limitations, is not warranted; provided that further concentrated study can develop a more satisfactory long range answer for the Town.

Preliminary plans have been nearly completed for a fire station to be located on the site already acquired on South Avenue opposite Ash Street. The Selectmen had planned to request funds for the construction of the building at the annual meeting. However, in the light of the questions that might be raised in the re-study of facilities for the central location, it has been deemed wise to delay until that review has been completed.

Funds for a five-bay addition to the Town Garage were voted at the 1964 annual meeting. Plans have been completed and bids will be invited within the next thirty to sixty days.

Master Drainage Study: The surface drainage study being conducted by the engineering firm of Haley and Ward was continued and recommendations for remedial action in several areas were carried to completion. This has alleviated surface water problems at these locations.

Electric Utility Wires: The Boston Edison Company expects to continue improvements to its electric distribution system in Weston, consistent with technological advances in the utility industry, for the purpose of handling growing load requirements generated by new developments. This involves the use of higher voltage on certain lines which serve major areas and consequently requires reconstruction of the lines with heavier wires and occasionally higher poles. After extended negotiations with and between officials of the Company and residents of Winter Street for the purpose of reducing required tree trimming and removal a plan was mutually agreed to and put into effect. By using a relatively new triangular hanging system and heavily insulated wire the Boston Edison Company was able to group the three wires together and reduce the amount of tree trimming

required. In carrying out its planned changes elsewhere in Weston it is expected that the Company will make use of this technique where conditions make it appropriate.

Highway Construction: The plans for improvement of North Avenue between Church Street and the Waltham line have finally been completed and approved. Negotiations with the abutters whose land is involved have been carried on. With the remaining obstacles removed, the long considered project will get underway this Spring and is scheduled for completion in the Fall.

Plans for further improvement of Wellesley Street are awaiting the completion of layouts by the County Engineers and the availability of funds to carry out changes in sections where layouts have previously been made.

Lengthy negotiations have been carried on between the Selectmen and the Massachusetts Turnpike Authority for controlling the traffic at the intersections at Park Road and Newton Street and South Avenue. The Authority has recently presented us with plans calling for the widening of South Avenue on their side of the highway and the installation of coordinated traffic lights at the two intersections.

The Master Plan Report which will be presented soon should be of great assistance in highway planning. There are many town roads that need improvement and a program for meeting these requirements on a proper budgetary basis will be developed. The modest amounts of money allotted to us for Chapter 90 construction do not allow any extensive work to be carried on at any one time, and it would appear that the chances of Weston obtaining substantial State or Federal Funds for highway improvements in the predictable future are negligible. In their thinking about highway improvements, the Selectmen continually have in mind the ever-present conflict between preserving the aesthetic values of the Town and improving the highways in the interest of public safety.

Assessments: This year the Board of Assessors concluded that it should use the full fair cash valuation as determined by the Board for purposes of assessing taxes on real estate and personal property. The decision was taken to conform to recent court decisions and the urging of the Commissioner of Corporations and Taxation. As the Assessors stated in their letter to the taxpayers, July 6, 1964, "We wish to emphasize that conformance to statutory requirements was paramount in the final decision and that the reduction in the tax rate is purely an incident of the use of full appraised values and was not an objective of this decision."

As has been done in previous years the following table showing the Town's growth and increase in expenditures is included with this report as it presents a concise picture of our progress which carries with it problems of plant development and operation.

					% Increase (Decrease) 1964 over	
	1950	1955	1960	1963	1964	1955

‡ Revision of Assessments effective January 1, 1964.

(1) Including debt service.

This year the population of Weston exceeds 9,800; increasingly, more and more of the atmosphere of small town operation must be compromised with the demands of our physical and financial projections. At this point and with the assistance of the Master Plan Studies we can begin to see the development of the ultimate Weston as far as population and probable land usage are concerned. In recognition of this stage of maturity the Finance Committee, with the encouragement of the Board of Selectmen, has embarked upon a program of financial projection designed to serve as a guide line for the Town and to bring before all the people the financial future as nearly as it can be determined. The first distribution of this projection was recently made and we are sure that it invites most careful consideration.

The greatest impact of this growth is felt in the school system where facilities must be developed and maintained to house properly all students and provide them with the quality and character of education desired by the community. Currently, an addition of six classrooms and a multi-purpose room is being made to the Woodland School; and the High School Addition Committee is preparing to present to the Town plans for a major second stage addition to the High School, required for occupancy in September, 1967. It was

originally planned to bring a proposal for the addition before the annual town meeting, but in the considered judgment of the Addition Committee and School Committee it was decided that a final review of specifications for the physical facilities and educational specifications should be made before formal presentation. The Selectmen commend these two committees for their decisions to re-evaluate the project, for we believe that such additional study will serve the best interests of the community.

Under Article 17 of the warrant for the annual town meeting an appropriation of \$35,000 will be requested to enable the High School Addition Committee to continue with preparation of preliminary plans. This article contains no provision for authorization to borrow money for construction. It is now expected that the recommendations of the Addition Committee will be brought before the Town at a special town meeting late in May or early in June when authorization to borrow funds for actual construction, equipping and furnishing of an addition will be requested.

Indication of the ultimate size of the Town allows the development of a complete pattern for a school system; and hence the voters will be asked at the annual town meeting to authorize a committee to be appointed by the Moderator to study all of the additional needs of the school system with the intent of establishing a reasonably comprehensive program for the future.

DETAILED RECOMMENDATIONS

General Government

Town Hall Repairs: Provision has been continued for approximately \$2,000 annually in repairs and major maintenance. Interior painting will be continued during 1965, major portions of the building having been completed in 1964.

Town Hall Remodeling: The need for additional office space becomes more urgent each year that action is deferred. However, it does not appear possible to develop a suitable plan for remodeling space which would be vacated by the Police Department or the lower town hall until final decisions are reached in other areas which would make these spaces clearly available for such changed use.

Master Plan Studies: Completion of the Master Plan Study is anticipated in the Spring of 1965. This study supervised by the Planning Board and carried out under a federal grant for local planning assistance and matching Town funds will require annual review to maintain its utility. For 1966 and 1967 the sum of \$1,500 has been provided for this purpose. For 1965 funds are provided for printing and distribution of the report.

Sewage Disposal Study: To provide for a thorough engineering study of all alternatives and recommendations for the resolution of this sewage disposal problem the sum of \$4,000 has been included. (See Report of Board of Selectmen for detailed discussion.)

Protection of Persons and Property

South Side Fire Station: In view of the decision of the Board of Selectmen to seek a review by a special committee of the whole problem of plant, facilities, physical needs, and sites of the fire and police departments it is expected that a request for action by the Town on construction of this station will be deferred until the fall of 1965 or later.

Addition to Fire Station for Police and Fire: Although funds (to be raised by borrowing) for construction of this facility have been authorized in 1963 and 1964 specific figures are not included in this budget or under debt service. This seems appropriate as the result of the decision by the Selectmen to seek a review of the matter as indicated above and as set forth in greater detail in their annual report.

Protection Equipment: Provision has been made in 1965 for replacement of fire alarm truck (\$3,500) and for continuation of a four-year program for extension and replacement of fire alarm system (\$5,250). In 1966 provision is made for final year of the program for fire alarm system extension and replacement. In 1967 funds are indicated for replacement of Fire Chief's car.

As usual the sums included for Police Department Equipment are for annual replacements of cars.

Health and Sanitation

Town Dump: The Metropolitan Area Planning Council has recently announced a major study of this problem which should be of assistance when completed. Recommendations concerning need for and location of additional dumping area are expected in the forthcoming master plan studies.

Highways

Provision is made for replacement of one truck in 1965 (\$7,000) and the balance (\$13,000) to be added to 1966 sum for replacement of the shoveladozer and one additional truck. The sum of \$15,000 for 1967 is planned to provide for replacement of another truck and the sidewalk snowplow.

Chapter 90 construction expenditures (three-fourths of which are reimbursed by the State and County) have been estimated at a net cost to the Town of \$6,400 in each of the next three years.

Addition to Town Garage: The bond issue authorized by the Town at the annual meeting in 1964 has been included under debt service on an estimated basis.

Schools

Building Additions and Equipment: Provision has been included for additional funds (\$35,000) to be requested in 1965 to permit the Special High School Addition Committee to carry on its development of preliminary plans for an addition to the High School. It is expected that, after a public hearing in the Spring, a special town meeting will be called in late May or early June to consider the Committee's recommendations.

Also provided is the sum of \$5,000 for use of a special committee which the Town will be asked to authorize for the purpose of studying and investigating the plant, facilities, physical needs, and sites of the public schools. This appears desirable now that the Master Plan Study will be available to give an up-to-date projection of the Town's future population growth.

The costs of the addition to the Woodland School now under construction are reflected in the item Debt Service—Schools.

Library

The Special Library Expansion Committee appointed by the Moderator in 1964 expects to submit its report and recommendations before the annual town meeting 1965. Provided that its recommendations for a site are approved an appropriation for the purpose of preparing plans for construction of additional or new facilities will be requested. For this purpose \$15,000 has been included in the forecast but is subject to revision. No estimate of total cost of facilities has been included in this Budget.

Recreation

Repairs to tennis courts adjacent to Brook School were not undertaken in 1964 as previously anticipated. Therefore provision has again been made in 1965 for repairs consisting of stabilization of the foundation of the courts in one area, resurfacing for the purpose of leveling and sealing cracks, and re-marking. The amount has been increased based on a contractor's estimate for the work.

Water Department

Delay in making connection with the Metropolitan Water Supply system because of construction and engineering problems in going under the M.D.C.'s aqueduct on Wellesley Street has deferred the initial annual charge for the entrance fee of \$79,000 from 1965 to 1966. The fee will be paid in ten equal annual installments without interest.

For relocation of water main in Highland Street in connection with a proposed relocation of a section of Highland Street the sum of \$20,000 has been deferred from 1964 to 1966. It is unlikely that construction of the road can begin before late in 1965 at the earliest since the County Commissioners have not yet completed their plans and held hearings on the relocation.

The projection for 1966 includes the amount of \$35,000 for the estimated cost of installing a suitable water main in Wellesley Street from the new pumping station south as far as Woodchester Drive. This connection is required to reinforce the water supply in a large area of the Town located a substantial distance from pumping stations and served at the moment by a single distribution main.

Park and Cemetery

Provision is made for replacement of a truck in 1966 and of a tractor with backhoe attachment in 1967.

A program for planning and carrying out improvements in the developed sections of Linwood Cemetery and expansion into undeveloped land already owned by the Town has been projected for the three years 1965-1967 at approximately \$2,000 annually. This will be based on recommendations to be made by professional consultants to be employed in 1965.

Conservation Commission

An increase in Conservation Fund for 1965 is proposed to permit acquisition of land on which negotiations have progressed favorably. For 1966 and 1967 the appropriations are forecast on the basis of past policy. Unexpended balances remain in the Fund from year to year and are available for future acquisitions of land by the Commission.

Debt Service

The figures shown are for annual payments of principal and interest on indebtedness—outstanding and estimated. No effort has been made to reflect the additions to this category of cost which would result from future decisions of the Town to carry out major building projects such as an addition to the High School, construction of southside fire station, construction of new police and fire facilities for a central location, remodeling of the town hall for more office space, or expansion of public library facilities.

*Since 1953 appropriations for the various categories of public assistance have been lumped into a single appropriation known as Aid Expense. The following breakdown is given to show the estimated expenditures for each category in 1965:

General Relief	\$ 3,000.00
Disability Assistance	4,651.00
Old Age Assistance	6,406.00
Aid to Dependent Children	6,395.00
Medical Assistance for the Aged	17,523.00

Total

\$37,975.00

Note 1. Accounts indicated by † are continuing appropriations, the balance of which shall be carried forward to the next fiscal year. In cases where a balance is carried forward without this designation, the appropriation has been encumbered for the payment of liabilities incurred in the preceding year.

Note 2. The word "Receipts" as used above indicates sources of funds for expenditure which are available and need not be raised by taxation, such as: Surplus and Dog Tax Refund.

The word "Transfers" as used above indicates amounts made available by the Finance Committee from the Reserve Fund for unforeseen and extraordinary expenditures.

REPORT OF THE FINANCE COMMITTEE

This past year has pointed up some of the areas of Weston's growing pains perhaps more precisely than any other single year in its history. It becomes more and more difficult to preserve the rural atmosphere cherished by many of our residents and at the same time to provide for the up to date services demanded by an ever increasing population. At the present time studies are under way for the future requirements of adequate police and fire plant facilities; a committee was appointed last year and is working currently to determine the capabilities and needs of our library system; and the seemingly ever present problem of expanding school population finds a school building committee hard at work on a suitable addition to the high school. Sewage disposal is a rather severe problem in the central area of town and quite possibly could involve rather expensive remedies in the near future.

The Finance Committee this past year as in prior years has labored mightily to try to tie the needs and future requests for money in these areas into the overall outlook for the Town's finances so that we may be able at the proper time to pass along our recommendations to the Town for suggested courses of action. In most of these areas we are dealing with special interest groups. Committees in special areas of study are not really charged with viewing their project as it relates to the "big picture" of town finance. Individuals are appointed to these study or building committees primarily as a result of specific knowledge or interest in the area involved. As a result it is not surprising that when the project is reviewed by the Finance Committee with an eye toward placing the project in its proper orbit in the overall financial structure, there arises a feeling that the Committee has a negative approach to all projects involving new or additional spending. This is rather unfortunate, but all the same unavoidable. While individual members of our Committee may very well have specific knowledge, and as a result some bias, in particular areas, we feel that the Committee's approach overall is extremely objective. Unfortunately, it seems that quite often even though we approach a project from the point of view of inquiry our move is misinterpreted as criticism. Such misunderstandings have been going on for years and undoubtedly will continue as long as two separate committees approach a project from two different points of view. We would take this opportunity to assure the Town that we do make every effort to approach these problems with an open mind and an objective point of view. However, just as special committees feel an obligation to apprise the Town of the merits and usefulness of their projects, we feel compelled to apprise the Town of the projects' financial implications. As we have stated publicly during the past few weeks, we believe that well informed voters and taxpayers are fully competent to judge the merits of a project proposed by a particular board or committee.

Operating Costs

During this past year we made an attempt at forecasting various budget items for the next five year period. As a result of this study it became even more apparent to us that the major item of expense is now and will continue to be "people costs" or salaries. While the one area where these increases are most easily isolated is in the area of education, the problem exists across the board. This past year there was a sincere and serious effort made on behalf of the police department for salary increases greater than those finally approved and an association has been formed to represent certain other town employees in such negotiations. Those of us on the Finance Committee are well aware of the increasing costs of living and are sympathetic to reasonable and legitimate requests in the area of salaries and other employee benefits.

Our objectives are for the protection of the overall best interests of the residents of Weston. On the one hand we must look for economies in the spending of tax dollars but on the other hand this objective cannot be considered to the point of depriving the Town of adequate service. Our salary policy must be considered in line with comparable salaries in other areas. However, in the final analysis it is the calibre of our employees that largely determines the calibre and quality of the service the Town provides. It would seem to be false economy to provide an excellent physical plant and staff it with mediocre people. While the publicity of the Town's spending usually revolves around some new building program or other, our people costs, at least in the past, have received relatively little attention and these costs take a far greater slice of the tax dollar. To a very large extent increasing costs in this area are unavoidable. Our increasing population and the ever-present increasing cost of living dictate in large part the trends in these costs.

Looking Ahead

As mentioned above, we have made a projection for the next five year period of the Town's income and expenses. Our objective as explained in our mailing to the Town was not to "scare" anyone but simply to state the facts as we saw them. Since this was our first attempt at forecasting we tried to stay on the conservative side. Unfortunately, it even now looks as though our estimates were too conservative and the tax rate we foresaw for 1965 of \$28.91 will more likely be \$29.90, up from the 1964 rate of \$27.50. It is rather obvious that our percentage error here is too large and we can only hope that this will not hold true in the same magnitude for the next four years of our projection. It presently takes approximately \$85,000 of expenses to increase our tax rate by \$1.00 which in turn means that our estimates for 1965 were low by nearly \$85,000. This "miss" on our part was made up primarily of additional items for school operating expenses of \$38,000, increased costs of protection of persons and property amounting to \$36,000, and an increase of health department expenses of \$9,000 greater than forecast.

Our projection for the tax rate in 1969 originally showed an increase slightly higher than 30% over the 1964 rate. As we have stated previously "our attitude can perhaps best be summed up as one of real concern rather than alarm." Obviously our concern will become greater if our estimates for subsequent years are as wide of the mark as they appear to be for 1965.

Many of the problems involved in increased expenses can only be solved by the taxpayers and voters themselves. The Finance Committee can watch over the various areas of income and expense and make recommendations to the Town but final action rests with the voters. If you as taxpayers share the concern of this Committee then it seems of paramount importance that you acquaint yourselves thoroughly with the problems we face. For our part we will continue to look into the Town's finances as carefully and objectively as possible and in the future will make even greater efforts to keep you informed of the results of our work.

REPORT OF AUDIT OF MUNICIPAL ACCOUNTS

August 14, 1964

To the Board of Selectmen

Mr. Edward M. Dickson, Chairman
Weston, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the treasurer and collector of the town of Weston for the period from April 25, 1963 to April 6, 1964, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

S/ ARTHUR H. MacKINNON
Director of Accounts

In the interest of conserving space in this annual report the detailed report submitted by Mr. Schwartz is not set forth here, but may be inspected at the office of the town clerk by any interested person.

REPORT OF THE BOARD OF ASSESSORS

REPORT OF THE BOARD OF REGISTRARS OF VOTERS

During 1964 eight hundred and seventy-seven (877) persons were registered and added to the register of voters in Weston. Two hundred and ninety-nine (299) persons were dropped from the register. On December 31, 1964 there were 5091 registered voters.

REPORT OF THE PLANNING BOARD

The Planning Board held 44 regular meetings during 1964, and was active in all three areas of its responsibilities.

Planning:

The major planning activity of the Board during 1964 was the development of the Master Plan for the Town. Consultants Charles Downe and Hosni Iskander spent many hours studying the Town and meeting with Town citizens and officials. In addition to frequent consultations by telephone, nine formal meetings were held during the year with the master planner. Drafts of many sections of the report have been made and discussed with appropriate Town Boards. The Master Plan is expected to be completed in April when it will be available to all Town officials and interested citizens. It is hoped that the Plan will provide long-range objectives for and a means of coordination of the development of the Town.

The Planning Board met with the selectmen on several occasions to discuss the Master Plan, and in other meetings considered the library expansion problem, police and fire facilities, and the need for low-cost housing for Town employees and others. The Board also met on separate occasions with the Lincoln and Sudbury Planning Boards to discuss problems of mutual interest.

Subdivision Control:

The exercise of the Board's powers under the Subdivision Control Law continued to take a great deal of the Board's time. The average new sub-division involves for the Planning Board a visit to the site, three conferences with the subdivider, a public hearing and at least three legal documents. In addition, frequent inspections have to be made by the Board, the Town Engineer, the Superintendent of Streets and the Health Officer as the subdivision progresses. There were eight new subdivisions approved during 1964, and additional work done in connection with six other subdivisions which had been approved in prior years.

The following table indicates the new subdivision activity in the Town in each of the past four years.

Year	Length of Roads	No. of Lots
1964	2.60 miles 13,715 ft.	149
1963	1.27 miles 6,690 ft.	48
1962	0.89 miles 4,680 ft.	39
1961	2.13 miles 11,270 ft.	49

The three-fold increase in the number of lots created through new subdivisions does not necessarily indicate a three-fold expansion in the growth of the Town. Often there are years when a large

number of lots will be approved, many of which are held as inventory and built upon in some future year. The tables does, however, indicate at the least a capacity for the continuance of the present growth rate of the Town. During the year 47 plans involving land in the Town were examined and felt to meet the requirements for endorsement by the Board "Approval Under Subdivision Control Law not Required." These resulted in the creation of 18 new lots.

Zoning By-Law Administration:

With the rapid subdivision of the unused land in the Town, increasing pressures develop on the zoning by-law. The Board works very closely with the Selectmen and the Board of Appeals in order to assure the continuance of a fair and uniform application of the existing zoning by-law. Meetings were held with the Board of Appeals and the Selectmen to improve liaison and understanding. During the year the Planning Board considered all the cases before the Board of Appeals and, in 12 cases where it felt its background and experience would be helpful, made its views known usually by attending and speaking at the hearings. An important part of the Board's work is consulting with landowners as to permitted and possible uses of their land. Many such consultations were held during 1964.

Representatives of the Board also attended two meetings of the Wayland Board of Appeals involving land on the Weston-Wayland boundary.

Members of the Planning Board attended the hearing before the Mercantile Affairs Committee of the State Legislature concerning a bill to reduce lot sizes. Following the hearing a letter was written to all members of the Committee expressing the opposition of the Board to the proposed legislation.

Chairman Elliston continued his responsibilities as an officer of the Massachusetts Federation of Planning Boards and Weston's representative on the Metropolitan Area Planning Council. The Board feels that participation in and an awareness of regional planning is an integral part of its work.

As in the past the Board welcomes the participation of the citizens of the Town in its activities, particularly public hearings, notices of which are published. Regular meetings of the Board are held on Tuesday evenings, and are also open to the public.

REPORT OF THE TOWN ENGINEER

A brief summary of the activities of the Engineering Department with the various Town departments during the year 1964 follows:

Planning Board. Attended forty-three regular meetings, eight public hearings and two meetings in other towns with the Planning Board. Eight subdivision plans were studied and discussed with the Board before their approval was given. Each subdivision was viewed on the ground with the Board members and again with the Board of Health inspector. These subdivisions represent 149 new building lots and 2.60 miles of new roads.

Water Commissioners. Attended twelve meetings with the Board. Prepared plans, specifications and contracts for water main extensions in Wellesley Street, Ash Street, Wood Ridge Road, Wood Ridge Circle, Bogle Street, Beaver Road, Fields Pond Road, Briar Lane, Country Drive, Lawrence Road, Myles Standish Road, Indian Hill Road, Bay State Road, Bittersweet Lane, Stillmeadow Road, Westerly Road, Middle Way, Deer Path Lane and Gowell Lane, a total of 3.90 miles. Laid out road from the end of Bradford Road to the Cat Rock Hill reservoir.

Selectmen. Attended ten meetings with the Selectmen. Prepared plans for acceptance of Center Street, Rolling Lane, Woodchester Drive and Pond Brook Circle. A plan was made for slope easements in connection with North Avenue reconstruction between Church Street and the Waltham line. A topographical survey and plan was made of the South Avenue fire station site.

Highway Department. About one thousand feet of the Winter Street end of Bogle Street was staked and grades set for reconstruction by the Highway Department. Center Street was staked for construction. Various drainage problems in the Town were corrected.

Assessors. Atlas plates were up-dated to show 1964 subdivisions as well as changes in title to December 31, 1964 insofar as transfers have been received from the Registry of Deeds.

Library Expansion Committee. Prepared plan of center of Town and consulted with Committee and with their architect on several occasions.

School Committee. Consulted on possible school sites and problems involved.

Conservation Commission. Prepared plan of 5.44 acres including ice pond, Warren Avenue, which the Commission acquired for the Town.

Police Department. Prepared plans of three accident sites.

Miscellaneous. Utility companies and private surveyors came in for information which is filed in this office for public use.

Information regarding property and the Town was given to many realtors, residents, and prospective property owners.

REPORT OF THE CONSERVATION COMMISSION

The year 1964 saw the fruition of several projects on which the Commission has been working for some time. Foote's Pond was purchased from the Paine Estate. This five-acre area of pond and wet land off Warren Avenue is an outstanding one, providing as it does a pleasant recreation area, especially in winter, and a valuable wildlife sanctuary.

Thanks to the generosity of Mr. David Blaney, the Town expects to receive as a gift 13.6 acres of wetland from that part of his property that runs along Wellesley Street.

Due to the indefatigable efforts of Mr. Aubrey E. Jones, who represented the Commission, and the cooperation of the owner, the Town has effected the acquisition of 16 acres of woodland from Mr. Albert E. Scott, which rounds out the Town's holdings in the southern part of the Jericho Town Forest.

The Town has completed negotiations with Dr. Paul D. Bartlett to purchase 8.2 acres of his woodland off Concord Avenue. Here again this acquisition will be a valuable addition to the northern area of the same forest.

The Commission is working on some interesting prospects for 1965. How many will materialize by the end of the year remains to be seen, but we hope that the year will be as successful as 1964 has been.

Protection of Persons and Property

REPORT OF THE POLICE DEPARTMENT

Each year the volume of matters requiring police attention increases proportionately with the growth of the town. Year-end statistics clearly picture the steady increase in nearly every safety and service function provided by the department. Constant re-evaluation of policy and needs is required to maintain quality and quantity of service necessary to serve the community adequately. This report contains several recommendations for the future which will permit orderly expansion of manpower and facilities to meet future growth and demands.

Despite the steadily rising number of vehicles using our roads, there was little increase in the total number of automobile accidents reported in 1964, and no fatal accidents on roads under the jurisdiction of the town. However, several accidents involving bicyclists or pedestrians point up the desirability of added safety education for our young people. Acting with the cooperation of school officials our safety program has been accelerated with the goal being to have the safety officer contact each class at least twice during the school year.

Traffic law enforcement resulted in over six hundred violations being processed for the year, either for court or registry action or issuance of a written warning. Much of this additional activity was the result of operation of the radar timer on various residential streets where compliance with posted speeds was poor.

The increased incidence of housebreaks is a cause for concern. Although the frequency of police patrols has probably been an important factor in keeping the total down, there were, nevertheless, forty-nine housebreaks during the year with a large number of these apparently taking place during daylight hours. In several cases investigation revealed that neighbors had seen unusual activity in the vicinity of the house while the owners were away, but for various reasons thought little of it. Citizens are urged to call the police in the event of observing such suspicious conduct. A patrol officer can quickly check the location and determine the cause of the activity. Residents leaving their homes vacant, whether for a weekend or for a season, are advised to notify the police so that the house will receive periodic checks. Also suggested is the added precaution of arranging to have friends or neighbors inspect the property at frequent intervals. Residents are again reminded that while they are away silver, jewelry, firearms and other valuables should be placed in a bank vault or similar secure place. At the owner's request firearms will be stored in the police department vault.

Training and education, particularly important because of recent far reaching high-court decisions, has been continued at all levels during the year. Patrolman Thomas R. Hilson attended the State Police Academy for Local Officers, successfully completing the six-week course covering all phases of police work. This brings to six the number of Weston police officers who have received this valuable training. The Chief attended Law Enforcement courses at Northeastern University for a total of sixteen semester hours. Other officers attended various seminars and short courses offered by Federal and State agencies.

The appointment of one additional permanent patrolman is recommended. At present most night shifts have only the desk man and two patrol officers. The addition of one officer will allow scheduling additional coverage on weekend nights and during heavy traffic hours. A third sergeant should be appointed. At present only ten of the fourteen night shifts per week have a sergeant in charge. The remaining shifts have a patrolman in charge who receives no compensation for the added responsibility. It would be several months before a Civil Service examination for this position could be completed, and the appointment probably could not be made before the end of 1965.

The purchase of a blood alcohol testing instrument is recommended. This equipment is utilized to determine percentage of alcohol in the bloodstream of automobile operators apparently under the influence of intoxicating beverages. Such an instrument can accurately determine the percentage of blood alcohol, thus supporting the investigating officer's observations and testimony. At the same time, it affords protection for the operator when, because of sickness or physical characteristics, his outward appearance mistakenly suggests the effects of alcohol. Courts and juries are becoming increasingly reluctant to return guilty verdicts in operating under the influence cases on the testimony of the police alone. The results of blood alcohol tests are accepted by the courts. Paul K. Connolly, Justice of the Second District Court of Eastern Middlesex, at Waltham, is most interested in having the communities under the jurisdiction of his court (which includes Weston) use such equipment and has recently reiterated his hope that the town would see fit to appropriate the necessary funds.

The addition of a portable dictating and transcribing machine is requested to permit on-the-scene recording of information and observations pertinent to cases under investigation; recording of preliminary reports from investigating officers; recording letters, directives and other material of an administrative nature for future transcription. The need to achieve the most efficient use of time and manpower makes such equipment desirable.

The acquisition of a photocopying machine is recommended to reproduce reports for outside agencies and individuals and to duplicate training bulletins and directives for dissemination within the

department. We presently are using a machine loaned for trial purposes by a dealer. Reports, generally concerning accidents, are furnished to attorneys, insurance companies or other interested parties with fees collected being turned over to the town treasury. The original investment for such equipment should be returned to the town in approximately one year of operation.

Plans for equipping and operating the new station are being formulated. Meanwhile, the present substandard quarters become increasingly cramped and inadequate.

In closing, I wish to thank the Auxiliary Police, who, again in 1964, have devoted many hours to assisting the regular department and especially for their help in conducting vacant house checks during the summer months.

REPORT OF THE FIRE DEPARTMENT

This year has again been abnormally dry, and although there were no serious forest fires, there were numerous calls for grass and brush fires. The primary causes of these fires are still incinerators and children playing with matches. The year 1963 saw a 30% increase in alarms over 1962, and this increase has remained with us. The number of calls for fires in dwellings has increased and will continue to increase as long as the residential growth of the Town continues. An increase in other types of emergency calls can also be expected.

The availability of call firemen continues to be a problem, and thus more reliance is placed on the permanent firemen each year. The new station on the south side of Town will be another step in having additional firefighters available as well as giving better coverage to an area. I recommend an appropriation at the 1965 annual Town meeting for building and equipping Station 2.

The additional man hired in 1964 was used to replace the Clerk on the regular fire shift so he could work on a 5 day a week schedule. This has provided the much needed clerical help as well as provided another man on duty during the daytime when call men are the least available.

The Water Department has put iron stakes at all hydrants, thus providing an accurate means of locating them in deep snow. When the project of painting the tops of all the hydrants and stakes with reflective paint is completed, the locating of hydrants at night will be faster.

The training of the call and permanent department was conducted under the direction of the Captain, with drills on the equipment and actual firefighting at the drill area. The drill area will have to be improved in the future to provide better training facilities.

Men attended numerous in-state and out-of-state fire schools and conferences. Men also belong to and attend the meetings of the various branches of the fire service.

In June, an all day training session in the use of new equipment and actual fire fighting was conducted at a house scheduled for demolition. The Weston Fire Department was joined by men and equipment from Belmont, Concord, Lincoln, Sudbury, and Wayland for a very successful program.

A series of classes in Radiological Monitoring were arranged by the Weston C.D. Director. The instructor from the Massachusetts Civil Defense Agency qualified seventeen members of the department in the use of monitoring equipment. Instruments supplied by the Weston Civil Defense will be kept at the fire station for use in the event we have an incident involving radioactive materials.

MAJOR NEW EQUIPMENT

Hydraulic Power Rescue Kit.

Aluminized Fire Suits.

Additional flood light equipment.

Additional foam supplies.

Radio receiving sets on Lincoln, Waltham and Wayland frequencies.

The 750 G.P.M. pumper ordered in 1964, to replace Engine 2 is scheduled for delivery in March.

The 1965 budget includes the cost of replacing the 1951 fire alarm truck which was purchased second hand.

The much needed fire alarm control equipment for the fire department communications room has been ordered in the hope that the addition to the fire station will be constructed in 1965.

FIRE PREVENTION

The usual program of inspections and fire drills in the public schools, private schools and colleges has been conducted throughout the year. Inspections of the main buildings of the country clubs resulted in improvements to give greater fire safety to the occupants.

Numerous classes from the schools were given educational tours of the fire station.

The supervision of oil burner installations, liquified gas installations and blasting was conducted throughout the year.

More fire prevention work can be done as the permanent force grows.

FIRE ALARM

1964 marked the second year of the four year program of rehabilitation, expansion and modernization of the fire alarm system.

Major items accomplished under this program were as follows:

a) The 20-conductor cable was extended along Ash Street to the site of the proposed south side fire station.

b) 4-conductor cable was installed on South Avenue from Oak Street to Newton Street and the entire length of Oak Street to accommodate mutual aid fire alarm circuits with Newton and Wellesley.

c) 10-conductor cable was installed on Church Street from the square to Conant Road and on South Avenue from Ash Street to Oak Street to provide for additional circuit capacity.

d) Some 35,000 feet of 2-conductor cable was installed in various locations to replace old pre-war cable and to extend circuits to provide for better coverage of fire alarm boxes.

During 1964 26 fire alarm boxes were installed and one temporary box was removed leaving a total as of December 31 of 159 boxes. Fourteen of these were installed by the Town, 7 by contractors in new developments and 5 were on private buildings.

In December a contract was awarded to the Bliss-Gamewell Company for the manufacture and installation of a new central station fire alarm console. This equipment will be installed later in the year when the new fire-police station addition is completed.

For 1965 the following are the major projects programmed:

a) Extension of the mutual aid fire alarms circuits to the Newton city line on South Avenue and to the Wellesley town line on Cliff Road.

b) Installation of multi-conductor cable from the central fire station to the Wayland town line via the Boston Post Road.

c) Continuation of the replacement of old pre-war 2-conductor cable and further extension of the existing system.

I am recommending the purchase of eight combination voice-code fire alarm boxes for installation at various key locations within the town. These boxes, in addition to housing the usual fire alarm mechanism, have a telephone incorporated into the box which may be used by the public to report incidents and also by the Police Department for duty calls and also for occasions where radio silence is desired. One half the cost of these boxes will be reflected in the Fire Department budget and the other half in the Police Department budget.

In 1964 the Fire Department responded to 238 Bell Alarms and 231 Still Alarms. Total of 469 Alarms as follows:

Fires in Buildings ..	105	Accidental and	
Forest and Grass Fires	131	Needless Alarms ..	22
Dump Fires	23	False Alarms	10
All Other Fires	70	Mutual Aid Given ...	8
Emergency Calls	100	Mutual Aid Received	13

From January 1, to December 31, 1964 the Fire Alarm Office operators on duty handled 469 alarms of fire, issued 2412 permits for outside fires and received and transmitted 7413 radio messages for the Fire Department, Water Department and Highway Department.

1964 Fire loss (Insurance paid) \$71,506.71

Number of fires causing loss in excess of \$1,000.00 14

REPORT OF DIRECTOR OF CIVIL DEFENSE

During the past eight years, Weston has been most fortunate in having Florence E. Freeman as its dedicated and efficient Director of Civil Defense. Her ability, thoroughness, and forethought have developed an organization that is without equal in our area.

The only towns that can participate in surplus property activities are those which have complete and up-to-date Civil Defense organizations. Through Miss Freeman's efforts, Weston is qualified, and a number of items of immediate benefit to the town have been obtained from this source during 1964.

Twenty members of the Fire and Police Departments attended and completed the Radiological Training Course, and this course will be conducted again in 1965.

Five members of the Fire Department attended the Rescue Training Course at Topsfield, recognized as one of the best in the country. Weston is fortunate to have several graduates.

The Fire and Police Chiefs attended a course on handling radioactive materials. As a great deal of this material is transported over the main roads of the town, this training is important.

Now in progress is the planning and submitting of the numerous applications and forms required to obtain matching funds for the Emergency Operating Center in the new Police Station. These forms cover eight major subjects and sixty-two subdivisions, some of which require many pages to complete.

Through the efforts of our Communications Officer, R. W. Little, we have up-dated the Civil Defense radio network in anticipation of the move into the new Center.

The Auxiliary Police force, under Capt. Richard J. Rice, has continued to contribute many hours of unpaid service to the town, and has participated in training courses given by the Police Department.

It is hoped that through the efforts of Chief Johnson, an Auxiliary Fire force will be organized.

Surveying and marking public fall-out shelters is still in process, but progress is slow because Weston has only a few places considered suitable under the requirements of Civil Defense.

REPORT OF THE TREE WARDEN AND MOTH SUPERINTENDENT

Because the work of these two officers is closely related and the positions are held by the same person a combined report is presented as in the past.

During 1964 contract and specifications for tree trimming, removal, repairs and spraying were prepared and bids invited by advertising. A separate contract was awarded for removal of specified Dutch Elm Diseased public shade trees.

Under these contracts the pruning and tree removal program was carried on as in previous years. Approximately twenty-four Dutch Elm Diseased trees were taken down. A great many weed trees as well as decayed and dangerous trees were also removed. Although some of these latter trees may have appeared healthy, the Tree Warden upon inspecting them found that it would be more economical to remove them making room for new plantings rather than to prescribe undue maintenance costs.

Due to the drought conditions of last Summer and Fall it was decided to defer plantings. However, seventy-two trees were purchased, tagged, and reserved at the nurseries to be planted in the Spring of 1965.

The Tree Department also applied a poison ivy spray along most of the public ways in the Town.

The Moth Department carried on its usual spray program. One spray was applied to all elm trees in the dormant stage for the control of bark beetle and Scolytus beetle. A second spray was applied to all of the roadside trees for the control of the various shade tree pests. A third spray was applied to elm trees only. The spray materials used in our spray program during the past season contained Malathion, Sevin, Arsenate of Lead and Lindane. These materials were applied as recommended by the United States Department of Agriculture under close supervision and by competent and experienced operators.

Once again, as Tree Warden and Moth Superintendent for the Town for the past seventeen years, I would like to take this opportunity to thank all department heads, including the Selectmen and the Finance Committee for understanding the great need for the care and maintenance of our Town trees. If Weston can continue to carry on a well-rounded maintenance program designed to preserve the public shade trees, we shall make a substantial contribution towards the preservation of the rural character of the Town.

REPORT OF THE TOWN FOREST COMMITTEE

Town Forest activities in 1964 have been routine, consisting of repair and improvement of existing roads, primarily in the interest of improvement of access for fire-fighting equipment. Walking and riding trails have been sprayed to keep down undesirable growth. Weeding out of undesirable trees and releasing of desirable ones has proceeded under the direction of the Middlesex County forester.

Approximately \$500.00 in assistance was obtained from the United States Department of Agriculture during the year, partly for building a fire trail and partly for pruning of trees.

No land was added to the Town Forest in 1964, but some small additions are expected in 1965.

REPORT OF THE BUILDING INSPECTOR

REPORT OF THE INSPECTOR OF GAS PIPING AND APPLIANCES

There were 159 permits issued for a total of 292 appliances.

The sum of \$1332.00 was collected in fees and the money paid to the Town Treasurer.

REPORT OF THE WIRE INSPECTOR

Number of Permits Issued	348
Fees Collected	\$3,278

Health and Sanitation

REPORT OF THE BOARD OF HEALTH

Nine regular meetings were held during the year and in addition a Cooperative Board meeting was held with Needham and Wellesley.

Following the Town Meeting the Board organized with Dr. David Reid as Chairman, Mr. Boardman Bump as Secretary, and Dr. Thomas Peebles, member.

On March 19, 1964, the Board changed the title of the Health Officer to Director of Public Health (as provided by the 1961 amendment of Section 30, Chapter 111 of the General Laws) because it better describes the duties of this position.

Diseases Dangerous to the Public Health

Under State law all communicable diseases as well as animal bites are reportable to the local Board of Health. A total of eight hundred and nineteen cases of diseases dangerous to the public health were reported during the year, over half of which were German Measles. For the ninth consecutive year there were no cases of poliomyelitis.

Report of the Public Health Nurse

The Public Health Nurse supervises quarantine measures for communicable diseases and makes visits to advise and follow up on patient contacts. In addition she consults with new parents and advises families in which premature births have occurred.

The new State regulations concerning the operation of Day Care Centers has occasioned a sharp increase in the amount of time required in this area by the nurse. There are four such centers in Weston, and the nurse has spent many hours with each owner or director, explaining the changes in the regulations and advising on stipulations which must be met before a license can be issued by the Board of Health.

Six summer day camps operate in Weston, and here again the nurse spends much time in examining facilities and checking health records of staff members before a license may be obtained by the owners.

Dental clinic work, now being done in the private offices of local dentists at an hourly rate, is authorized in each case by the nurse after determination of need and the decision of the Board.

We refer you to Tables I and II for further details.

REPORT OF THE SANITARIAN

As in previous years the major area of activity was centered in the services related to the installation of private sewage disposal systems.

There were one hundred and eleven sewage disposal permits issued, which represented a nine and nine-tenths percent increase over the year 1963. A total of seven hundred fifty-two consultative and inspectional services were provided, which represented a nine and one-tenth percent increase over the prior year.

In addition to the above, the Sanitarian participated in other environmental health activities, as follows: inspected food establishments and day camps; investigated complaints; surveyed sites for rat activity and outlined control programs; evaluated sub-division plans submitted by land developers; collected milk and water samples to be tested in the Wellesley laboratory; assisted at the rabies immunization clinic.

During the course of the year the Sanitarian also attended various meetings and educational conferences.

Dental Services

Eligible patients needing dental care were cared for at an hourly rate in the private offices of local dentists. Thirty-five children received attention. Ninety-seven patient visits resulted in two hundred and fifty-eight operations.

Report of the Inspector of Animals and Slaughtering

Quarantine visits (due to bites)	43
Animal census	
Cattle (in three locations)	6
Goats (in two locations)	2
Horses (in twenty-two locations)	74
Sheep (in two locations)	11
Swine (in two locations)	870

Three animal specimens were sent to Wassermann Laboratory for rabies diagnosis.

Births and Deaths

98 Births	11.9 per thousand
60 Deaths	7.3 per thousand

Laboratory

All laboratory work for Weston is performed in the laboratory of the Wellesley Board of Health. We appreciate their continued cooperation.

Samples of the Town water supply were tested. In addition swimming pool and other samples are tested on request. Bacteriological analyses were made periodically on eating utensils from public eating establishments. Samples of milk sold in Weston were examined. During 1964 the following tests were performed:

Milk	7	Eating utensils	6
Private ponds	4	Swimming pools	6
Town Hall supply	11	Private wells	18

Plumbing

The Plumbing Inspector and Alternate Plumbing Inspector turn in permit fees directly to the Town Treasurer and submit charges for their services to the Board of Health. During 1964, two hundred thirty-seven permits were taken out, one hundred and eight for new work and one hundred and twenty-nine for alterations. A total of \$1,290.00 was paid in fees to the Town Treasurer.

EXPENDITURES

Payments made under the direction of the Board of Health resulted in an approximate net cost of \$1.13 per capita. This does not include the cost of nursing services which is included in the school budget.

Payments

Board of Health	\$ 4,555.57	
Cooperative Board of Health	4,876.94

REPORT OF WESTON PARTICIPATION EAST MIDDLESEX MOSQUITO CONTROL PROJECT

Interest in mosquito control in Weston was first evidenced by an appropriation of \$1,000 at the Town Meeting of July 15, 1943, for deposit with the State Treasurer in the event that the State Reclamation Board should approve and authorize the setting up of a mosquito control project under Chapter 252 of the General Laws of the Commonwealth. On October 11, 1943 the State Reclamation Board received from entomologist Robert W. Wales a report entitled "Survey of the mosquito problem in the Town of Weston". This report detailed the nature of the problem, the methods recommended for control, the specific drainage problems in six separate areas of the Town, and two suggested programs: one estimated to cost about \$3,000 per annum, involving some drainage work but largely featured by control by use of insecticides; the other estimated at \$6,000 per annum for three or four years to accomplish the necessary drainage work, followed by an annual maintenance and spraying program at a smaller cost.

In 1945, Cambridge, Watertown, Waltham, Belmont, Arlington, and Lexington formed the East Middlesex Project under the State Reclamation Board, and in 1947 Newton, Wellesley, and Weston joined the Project. Weston appropriated \$4,500 in that year for this purpose, and raised this to \$5,000 in 1948.

Brookline joined the Project in 1948, Framingham in 1952, Lincoln in 1954, Wayland in 1955, Bedford in 1956, and Sudbury in 1961. There are now fourteen Cities and Towns in association working on this problem, Lincoln having made no appropriation in 1963 or 1964. The annual budget in 1945 with six towns was approximately \$25,000. In 1965 with fourteen, it is a little over \$75,000. Each community has its own Commissioner, and all the Commissioners meet from time to time to elect their Chairman and Secretary, establish subcommittees, and conduct the business of the Project, subject to the jurisdiction of the State Reclamation Board. In 1963 a State Pesticide Board was

established in response to popular demand, to assure that proper attention is given to safety of people and wild life by all State or Municipal Departments charged with using pesticides of all kinds. The Pesticide Board now requires all personnel of such departments to pass its examination and receive a license to apply pesticides. The East Middlesex Mosquito Control Project cooperates fully with the Pesticide Board, and makes sure that its procedures give proper attention to the Board's findings.

Each community upon joining the Project tries to educate its own populace, through its Commissioner, in the most effective methods of control which individual property owners may use to reduce the mosquito populations in their own immediate surroundings. There are many varieties of mosquitoes, and they have different habits and seasons. From June through September, the Culex, including the "House Mosquito", breed in almost any water, clear or foul, ranging from swamplands to water containers, clogged roof gutters, discarded automobile tires, tin cans, etc. It is these smaller breeding places that are responsible for a great deal of the annoyance to householders, and this type of mosquito seldom strays more than a few rods from its birthplace. Any standing water which cannot be eliminated may be treated with a light application of fuel oil or Malathion. Consult your Weston Commissioner or Project Superintendent for specific advice.

Following are the Commission requests to the member communities for 1964 and 1965, as determined by the Board in October. An important consideration in determining the need in each community is its location with respect to other communities which may be sources of migratory types of mosquitoes which drift with the prevailing southwesterly winds of the Summer season. Most of the easterly communities have taken care of their worst breeding area problems, and also benefit from insulation against this drift.

	1965	1964		1965	1964
Framingham	\$ 8,000	\$ 7,500	Newton	\$ 8,000	\$ 7,000
Sudbury	7,500	7,000	Waltham	6,000	6,000
Wellesley	3,000	4,000	Watertown	2,000	2,000
Wayland	7,000	7,000	Belmont	3,000	3,000
Weston	7,000	7,000	Arlington	2,700	2,500
Bedford	7,000	6,500	Brookline	3,000	3,000
Lexington	7,500	7,000	Cambridge	4,000	3,400
Total for 14 members				\$75,700	\$72,900

The prevalence of swampy areas in individual communities and the feasibility of undertaking measures to improve drainage also plays a part. Weston had a relatively large amount of territory where drainage ditches, replacement of culverts, and other measures were indicated, but it has chosen to proceed with caution in this respect, and to rely upon insecticides to whatever extent is necessary. Delays in negotiations with landowners have also limited new drainage work.

In the past two years, because of mounting scientific evidence of undesirable residues resulting from DDT, the use of this compound by the Project has been all but eliminated, and other types of insecticides have been tried, but with disappointing results. Nevertheless it is planned to use Malathion, fuel oil, or pyrethrum in treating surface water mosquito sources, Baytex for catch basins, and Malathion or Dibrom for fogging until more satisfactory substitutes can be found. Limited winter dusting of swamps with DDT is expected to be resumed in 1965.

The work of this Project has contributed importantly to the health and comfort of the residents of an area of over two hundred square miles at a very moderate cost, and it can be seen, from the present small appropriations of the easternmost communities which have been members for fifteen years or more, that their mosquito problem is no longer of serious consequence. It is hoped that more of Weston's appropriation can be devoted to reduction of breeding areas during the next few years, with due consideration to preservation of the Town's wildlife and desirable natural features.

The office of the East Middlesex Mosquito Control Project was relocated last November at 11 Sun Street, Waltham, where the telephone number is 899-5730.

REPORT OF THE INSPECTOR OF PLUMBING

There were 237 plumbing permits issued as follows:

New work	108
Alterations	129

The sum of \$1290.00 was collected in fees and the money paid to the Town Treasurer.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Scales:

Over 10,000 pounds	5
5,000 to 10,000 pounds	4
100 to 5,000 pounds	2
Under 100 pounds	12
Apothecary	1
Gasoline meters	12
	<hr/>
	36

Fees collected and turned over to the Town Treasurer \$53.10

Highways and Bridges

REPORT OF THE SUPERINTENDENT OF STREETS

Maintenance:

The usual work of the Highway Department has been carried on throughout the year 1964. All public ways were swept to remove the accumulation of sand from the winter along with other debris. Grass along the roadsides was cut twice throughout the Town. The winter of 1964 proved to be one of our largest salt consuming years; two thousand tons of salt were used for ice and snow control.

The following roads were resurfaced with bituminous concrete:

Baker's Hill Road (in part)	School Street (Between Route
Longmeadow Road	20 and Boston Post Rd.)
October Lane	Town House Road
	Town Hall driveways

The following roads were resurfaced in full or in part during 1964 with seal coat of asphalt and sand or stone:

Ash Street (in part)	Intervale Road
Bemis Road	Lantern Lane
Bogle Street	Merriam Street
Brook Road	Old Coach Road
Hickory Road (in part)	Wildwood Lane
Holly Circle	Woodchester Drive

As usual pavement markings and traffic control signs were painted and maintained.

One thousand feet of Bogle Street was relocated and reconstructed.

Sidewalks:

The sidewalk along School Street between Route 20 and Boston Post Road was resurfaced.

Chapter 90 Maintenance:

North Avenue (Route 117) from the Lincoln line to Merriam Street was resurfaced with bituminous concrete.

Drainage:

Catch basins throughout the Town were cleaned in Spring and Fall. In connection with reconstruction of a section of Bogle Street several drainage facilities were installed. Three new catch basins and two hundred seventy-two feet of 12-inch pipe were installed to serve the relocated portion of the road. To carry Bogle Brook under the road a new 36-inch culvert was installed. In order to provide full flow for the same brook under Winter Street a 30-inch pipe was installed.

These were in keeping with design standards recommended by the consulting engineers making the Master Drainage Study for the entire town.

In Wellesley Street a 24-foot section of 12-inch pipe was replaced.

Work for Other Departments:

For the Town Forest Committee additional work was carried on to improve some portions of the woods roads used for access by fire department vehicles. For the Recreation Commission the Cat Rock Ski Tow area was enlarged and a gravel access road extended and graded. As usual the Memorial Pool was drained and cleaned and sand replaced as required.

Construction of Center Street:

For the construction of Center Street peat was removed and replaced with gravel fill. This road will be completed and surfaced after construction of new Fire and Police Building is completed.

New Equipment:

During 1964, a new Trojan, Model 164, two-yard, front-end loader was acquired at a net cost of \$13,033. In addition a new International Model R-185 dump truck was acquired at a cost of \$5,774.19.

New Public Ways:

At the annual town meeting in 1964 part or all of thirteen private ways were accepted as public town ways and added to the responsibilities of the Highway Department.

Public Welfare

REPORT OF THE BOARD OF PUBLIC WELFARE

As shown in the accompanying charts fifty-three individuals received public assistance under the various programs during the year 1964. The cost of assistance together with the cost of administration totalled \$68,147.96. Reimbursements from the Federal and State governments, other municipalities and individuals amounted to \$54,723.54 making the net cost to the Town of Weston \$13,424.42.

There has been an upward trend in medical costs for nursing home care, chronic and acute hospitalization. Our Medical Assistance for the Aged caseload is gradually increasing yearly. As many of these recipients are in either nursing homes, chronic hospitals or public medical institutions, the greatest expenditure of money by this Board is for this category of assistance.

We again list below the basic eligibility factors in the five categories of assistance. More detailed information may be obtained from the director. All laws, rules and regulations in connection with these programs are constantly subject to change.

Old Age Assistance. Who is eligible: Needy persons 65 years of age or over who have resided in Massachusetts for one year immediately preceding the date of application. Real Estate: Ownership of certain types of real estate does not affect eligibility provided a lien is taken. Personal Property or Savings: Not to exceed \$500.00 in the case of an individual or \$1,000.00 in the case of joint ownership by husband and wife. Insurance: Reasonable amounts of life insurance or endowment policy on which the Cash Surrender Value does not exceed \$1,000.00; excess must be assigned to the Town. Responsibility of Children: Children must contribute a certain amount as determined by law when income exceeds the statutory exemptions.

Medical Assistance for the Aged. Who is eligible: Persons 65 years of age or over whose income and resources are insufficient to meet the costs of necessary medical services. Such medical care may be provided in the person's own home or in recognized medical facilities. Residence Requirement: There is no time requirement. The applicant must be a resident of the State or a resident who is temporarily absent from the State. A person coming into the State for the sole purpose of receiving medical care is not eligible for Medical Assistance for the Aged. Real Estate: The ownership of an interest in real property used as a home or from which a person is absent due to physical or mental illness is allowed. Ownership of an interest in any other real estate shall disqualify an applicant for assistance. Personal Property: A single person is allowed ownership of bank deposits, securities, cash on hand or similar assets up to \$2,000.00 in value. A married person is allowed \$3,000.00 in combined ownership

of personal property when either or both apply for assistance. Income: A single person is allowed an income exemption up to \$150.00 per month when receiving medical care in own home (doctor, drugs, etc.) or short-term care in an institution such as an acute hospital. In this short-term medical care situation the recipient shall not be required to use any part of \$150.00 for this medical care as it is to be used for his home maintenance. A single person receiving long-term or permanent care in a licensed nursing home, licensed chronic hospital or public medical institution shall retain \$15.00 per month for personal needs and the balance shall be applied to the cost of the medical care. If, however, he has no income or the income is less than \$15.00 per month, the recipient shall be paid monthly in advance a cash grant for the difference between the income and \$15.00.

For married persons receiving short-term medical care such as defined above, an exemption of \$225.00 per month of the combined income of husband and wife is allowed when either or both apply for assistance and no part of this \$225.00 need be applied to the cost of medical care. When both are receiving long-term medical care in a licensed nursing home, licensed chronic hospital or public medical institution, the recipients may each retain \$15.00 per month for personal needs and the balance of the income is to be applied to the cost of medical care. When a recipient is receiving long-term medical care and the spouse is residing outside of an institution, the recipient may retain \$15.00 per month for personal needs and there is an exemption up to \$225.00 per month of the remaining income up to the maximum of \$300.00 allowed for the maintenance of the spouse remaining in the home.

There are certain situations which must be worked out on an individual basis. It is therefore suggested that when an application for Medical Assistance for the Aged is made, full information be given as to resources so that this Board may determine whether or not there is eligibility.

Insurance. The cash surrender value of insurance shall not be considered in determining the value of personal assets. Responsibility of Children: Children must contribute a certain amount as determined by law when income exceeds the statutory exemptions. This legal contribution shall not be considered as part of parent's income and be subject to exemption. For example, if a single person is receiving medical care in own home and has an income of \$100.00 per month and the total legal contribution from children is \$50.00 per month, this latter amount may not be added to the \$100.00 income and be subject to the \$150.00 exemption allowed. Instead, the \$50.00 per month must be deducted from the medical expenses before any payment may be made by this Board. In this instance if total medical expenses do not exceed \$50.00 per month no payment is made by this Board.

Disability Assistance. Who is eligible: Needy persons over 18 who are permanently and totally incapacitated. Residence require-

ment: One year continuously in State immediately preceding application. Real Estate: Ownership does not disqualify but if an applicant or recipient owns property other than that occupied as a home, continued eligibility depends upon his making a reasonable effort to dispose of the property within six months at fair market value in order to convert it into assets which can be applied towards meeting present needs. Personal Property and Life Insurance: The amount of personal property together with the cash surrender value of life insurance shall not exceed \$500.00. The excess must be assigned to the Town or the policies adjusted. Responsibility Between Parents and Children: There is a responsibility both ways in this program. Children over 21 must contribute a certain amount as determined by law toward the support of parent receiving Disability Assistance when income exceeds the statutory exemptions. Parents must contribute a certain amount as determined by law toward the support of child of any age over 18 receiving Disability Assistance when income exceeds the statutory exemptions. However, a father and mother 65 years of age and over and a widowed mother 62 years of age and over are exempt from contribution toward the support of a disabled child.

Aid to Families With Dependent Children. Who is eligible: Dependent children under 18 who have been deprived of the ordinary support or care of one or both parents. This includes loss by death, physical or mental incapacity of a parent in or out of an institution, desertion, divorce, annulment or separation, commitment of a parent to a penal institution, and the service of parent in the armed forces when allotment or other resources are insufficient. Also, an unemployed father or mother who complies with certain specified regulations may now apply for Aid to Families With Dependent Children. An eligibility requirement in this program is that the child must live in the home of one of a group of relatives who are defined in the statute as a "parent." There is no waiting period required before assistance may be given but residence of one full year prior to the date of application is necessary. Real Estate: Ownership does not affect eligibility but property not occupied must be converted into an asset. Personal Property or Savings: The total amount eligible parents and children may have must not exceed \$300.00. Insurance: A reasonable amount but the cash surrender value must not exceed \$500.00 for an individual or \$1,000.00 for all family members participating in the assistance. The excess must be adjusted.

General Relief. Who is eligible: Any needy person who is a resident of the relieving town. There is no time requirement. This program is usually of short duration.

Schools

REPORT OF THE SCHOOL COMMITTEE

THE SCHOOL COMMITTEE

At the 1964 Town Meeting, Mrs. Gustav Fleischmann was elected to complete the remaining one-year of Mrs. Bump's term; elected for three years terms were Mr. Leo F. Glynn and Mr. J. Edwin Matz.

At the organization meeting of the School Committee held in the Case House on April 14, 1964, Mr. Leo F. Glynn was re-elected chairman and Mrs. Gustav Fleischmann, as secretary. Special assignments given members of the School Committee were: Mrs. Dudley B. Hartung — liaison "Our Schools" and Woodland School Addition Building Committee; Mrs. Gustav Fleischmann — liaison Library Trustees and Visiting Nurse Association; Dr. Robert H. Marden — liaison High School Building Addition Committee, Goals for Education in Weston, School Committee By-Laws; Mr. J. Edwin Matz — Long Range Planning.

On the resignation of Mr. Glynn and Mrs. Fleischmann in November, 1964, the School Committee and Selectmen jointly elected Mr. Robert Haydock, Jr. and Mrs. Lawrence Pexton to serve until the Annual Town Meeting in 1965. At a reorganization meeting on December 14, 1964, the School Committee elected Mrs. Dudley B. Hartung as chairman and Mrs. Lawrence Pexton as secretary. Other committee assignments were: Mrs. Lawrence Pexton — liaison Library Committee, Visiting Nurse Association; Dr. Robert H. Marden — liaison High School Building Committee; Mr. Robert Haydock — liaison Woodland School Addition Building Committee, Finance Committee; Mr. J. Edwin Matz — liaison Finance Committee.

SCHOOL PLANT FACILITIES

At the 1964 Town Meeting, two school building addition committees were authorized by the voters, one to plan and equip an addition to the Woodland School, another to plan and equip an addition to the Weston High School. At a Special Town Meeting on June 9, 1964, the town appropriated \$260,000 for the construction and equipping of the Woodland School addition. When bids received for the Woodland School addition were in excess of the architects' estimates, the Town appropriated an additional \$34,000 at a Special Town Meeting held on October 26, 1964. The construction schedule calls for the completion of the six classroom unit and multi-purpose room for the opening of school in September, 1965.

Between January and March, the administrators and School Committee developed educational specifications for the high school addition. The High School Addition Building Committee held its first

meeting on April 21, 1964. By July 22, they had retained the services of an architect and begun transposing the educational needs into a design. Population projections indicate that the additional high school space will be needed for occupancy by September, 1967. The present schedule provides that necessary facilities will be available by that time. The Building Committee expected to ask for an appropriation for the addition at the annual town meeting. It decided to postpone the request to late spring because it needed more time to review plans and cost estimates.

The School Committee has completed extensive repairs to the Brook School roof and heating system, extending considerably the useful life of the buildings. On cold days, all classrooms are now warm when children arrive in the morning, and roof leaking was corrected.

STUDENTS

Schools opened Thursday, September 10, 1964, with an enrollment of 2,559, an increase of 65 over the previous year. Projections of numbers of students by grade level are updated each year by Mr. Matz, a member of the School Committee. After many years of service conducting the pupil census, Mrs. Thomas C. Peebles resigned. Her persistence in trying to assemble these data has been very helpful to future planning and greatly appreciated by the School Committee.

Last June, a class of 154 graduated from the Weston High School. Eighty-nine or 58 per cent were accepted by four year colleges, another 42 or 27 per cent by one to three year schools, 8 per cent to further education. Nine or 7 per cent were terminal students.

STAFF

Full-time teachers and administrators in Weston number 155. In addition, the schools are staffed by 24 teacher aides, 18 full-time equivalent custodians, and 15 full-time equivalent clerical personnel. The average teacher in Weston has 8½ years of experience in education and holds a master's degree. In total, the staff represent 70 colleges and universities and come to Weston from 21 states. Close to 90 per cent of the teachers hold a degree from a liberal arts school. Our teachers are continually engaged in programs of self-improvement during the school year or in summer programs. They pursue their duties to the children assiduously and the results of the labors are evident in the attainments of their charges.

The Committee has encouraged an extensive and aggressive policy in recruitment to maintain and improve our present high quality of teaching staff. During 1964, 23 colleges and universities were visited by the staff in seven states. The teacher shortage is still much in evidence in specialized and technical fields.

For the 1964-65 school year, 48 new teachers were brought to Weston. On the average, they had three years of experience. The Com-

mittee is pleased to report what it sees as a steady improvement in quality of the teaching staff.

SALARIES

The School Committee has maintained the policy of holding teachers' salaries at a level necessary to retain existing staff and to attract capable new personnel. This year, with state law increasing minimum teacher salaries from \$4,500 to \$5,000, school systems throughout the state generally increased salary schedules. With the salary action taken by the School Committee, Weston salaries will remain in the first rank when compared with neighboring towns. They will not be the best in Boston area. The overall effect of the state-mandated increase is that the premium paid for teaching in a better school system is no longer as great as it has been in the past. Following are minimum and maximum by degree level as adopted by the School Committee for the school year 1965-66.

	B.A.	B.A. +15	M.A.	M.A. +15	M.A. +30
Minimum	\$5,250	\$5,475	\$5,700	\$5,900	\$6,100
Maximum	9,150	9,475	9,800	10,075	10,350
Attainable Maximum	9,650	10,225	10,800	11,325	11,850

PROGRAM

During the past year, teacher committees have continued to revise existing programs and provide the necessary coordination among schools. Curriculum coordinators working in one subject across all grade levels, kindergarten through twelfth grade, have eased the problems of transition from grade to grade and school to school.

As a result of teacher committee study last year, a new mathematics program was introduced into grades one, two, three and six this year. Next year, the program will extend into grades four and five. All teachers in grades one, two, three and six attended classes themselves in modern mathematics once each week to become better informed on the program. Next year, fourth and fifth grade teachers will participate in a similar in-service program. During the summer of 1964, kindergarten teachers further developed a reading program for five-year-olds. After one year in operation the kindergarten reading program resulted in 30 youngsters entering first grade already reading on a first grade level. The first grade program has been modified to receive these children. The kindergarten teachers working as a team are continually modifying and testing the program. Considerable assistance is given by student teachers.

A year ago, a number of Weston teachers participated in a summer program in science sponsored by Educational Testing Services. The results of their work combined with the leadership of the curriculum director in science has resulted in a revision of the elementary school science program. The children are now using several

units developed by Educational Services Incorporated stressing discovery as opposed to the demonstration method.

In the Junior High School, a new seventh grade unit in the American Revolution has been introduced. This social studies material also developed by Educational Testing Services stresses the use of primary source materials. The teacher and student have greeted it enthusiastically. A program in science similar to that introduced in the elementary schools is also being used in the two junior high school grades.

At both the Junior High School and Senior High School, better provisions now exist this year for slow learning students. Smaller groups have been created to focus on the student's needs in English and social studies.

An appraisal of the results of the program will be made at the end of the school year 1964-65. In foreign languages, another group has been formed to assist students having difficulty in French. The pace of the group is slower and more assistance is given by the teacher. Under this program, it should be possible for students to complete two years in French.

COST PER PUPIL

Weston schools are generally considered to have a high cost per pupil. The median expenditure per pupil in Massachusetts is \$377. In an analysis of per pupil costs for education in Brookline, Concord, Lexington, Needham, Newton, Wellesley and Weston made by the State Department of Education in 1963-64, cost per pupil ranged from \$544 to \$675 with transportation costs removed (reimbursement from the State is received by towns for transportation expenditures in excess of \$5.00 per pupil). Weston with an expenditure of \$590 was at a median of the towns compared.

TUITION PUPILS

Weston accepts no tuition pupils other than children of employees. In the fall of 1964 six such students were enrolled in Weston Schools. Although many requests are received for permission to send children to Weston Public Schools on a tuition basis, none has been granted.

Following state regulations the School Committee has voted the following tuition rates based upon actual costs: High School - \$880.86, Junior High School - \$784.95, Elementary Schools - \$539.92.

SCHOOL CENSUS OCTOBER 1, 1964

WESTON HIGH SCHOOL

Class of 1964

One hundred fifty-six members of the Class of 1964 received their diplomas from Leo F. Glynn, Chairman of the Weston School Committee, at the exercises in the high school gym, Monday, June 8, 1964 at six-fifteen p.m. Miss Gombert and Miss Nicoletta, our exchange students from Rombas, France and Mr. Tschiedel from Brazil, South America received certificates as honorary members of the class.

A study of the Class of 1964 revealed that 94% of the graduates were continuing formal education with 58% enrolled in four-year colleges, 36% enrolled in junior colleges and other post-high school institutions. 6% of the graduates were working, in the armed services or married.

The list of graduates follows:

Barbara Joyce Abbott

John Millikin Abbott

‡Barbara Allsopp

Robert Elliott Ammann

Emily Ruth Anderson	Richard William Given
Ann Marie Armstrong	Alfred H. Gledhill, Jr.
*†Catherine Sinclair Ashbrook	David Paul Goding
Dennis Francis Atwood	Frank R. Gustie
Sandra Karen Atwood	Perry Anne Hamilton
Donald Alfred Backstrom	Patricia Hanson
Kim Banghart	Janet Marie Healey
Joan Marie Bassett	Jerilyn Francis Hearn
Louise Bayles	Bruce Albert Hebert
†Richard Palmer Berry, Jr.	David Neil Helgeson
Carol Besse	Molly Davenport Herrick
†Penelope Elizabeth Bigham	Seth Heywood, Jr.
Berkeley Bottjer	Paul William Hines
John Allen Brewer, Jr.	†Susan Stratton Hoagland
Elizabeth Margaret Brown	Gary John Honegger
Richard Leighton Brush	Phyllis Gail Hopkins
Mark Elliott Bulwinkle	Richard Linn Hosterman, Jr.
†Leslie Elizabeth Byrne	Joanna Hulsman
Alan Holt Campbell	Virginia Lee Hurd
Susan Noel Carlson	†Ralph Harvey Jennett
Elizabeth Louise Chapman	John Clinton Kingery
Gail Bruce Chisholm	Robert Bradford Knowles
Kathleen Elaine Chisholm	Jean Krueger
Janet Louise Clift	Margaret Aletta Kuipers
Henry Avery Combellick	Rose Rebecca Kurjian
Christine Anne Comeau	Robert Edwin Larsen
Mary Elizabeth Cook	Suzanne Camille Laughner
Carole Ann Cranford	Janet Law
Betty Ann Cuning	Robert Peter Lazzari, Jr.
Stephen Malcolm Currier	David Allen Lee
Robert Patrick D'Antonio	Mary Cora Lee
Elizabeth Ann DeAmbrose	Jeanne Irene Leone
Antony Demetre Decaneas	Joan Marie Leonhardt
Edward Anthony DeCrosta, Jr.	†Diane Neiley Littlefield
†Denise DeLeeuw	†Joan Murray Livingston
Gerard Ralph DeNapoli, Jr.	James Locke

‡Member National Honor Society	

AWARDS AND PRIZES WESTON HIGH SCHOOL GRADUATION CLASS OF 1964

Good Citizen Certificate

This award, sponsored by the Daughters of the American Revolution, is given annually to the senior girl who in the estimation of classmates and faculty possesses to an outstanding degree the four qualities of dependability, service, leadership and patriotism.

Presented to:
Virginia Martha White

The Arion Foundation Award

Sponsored by the Weston Parent-Teacher Association, this national award is presented to the senior making the greatest contribution to the High School Orchestra during his years in school. The recipient is given a specially designed medallion and has his name inscribed on a plaque in the school.

Margaret Aletta Kuipers

The John Philip Sousa Band Award

Sponsored by the Weston Rotary Club each year, this award goes to a senior who has contributed the most to the School Band in achievement, interest, loyalty, co-operation, and in conduct. The recipient receives a special insignia and a certificate. Also the student's name is engraved on a plaque which remains in the school.

Richard William Given

Community Chorus Award

Sponsored by the Community Chorus of Weston, Wayland, Lincoln and Sudbury, this award gives recognition to that senior who makes a significant contribution to the choral music program in the school.

Lee Hodges Evans

Friendly Society Prizes

The First Parish Friendly Society has established two prizes given to a senior girl and a senior boy for excellence and achievement in the field of dramatic arts. Each recipient receives a silver bowl and has his name inscribed on a permanent award plaque to be on display in the school. The winners of this honor are:

Jo Dwight Wetmore

Lee Hodges Evans

Industrial Arts Award

The Weston Parent-Teacher Association recognizes a senior boy each year for his excellence in Industrial Arts and grants him a cash award and a certificate of achievement.

Bruce William Ferguson

Business Education Award

The Weston Parent-Teacher Association also recognizes a senior girl who has achieved excellence in the field of Business Education by granting her a cash award and a certificate of achievement.

Phyllis Gail Hopkins

Women's Community League Prizes

The Women's Community League of Weston sponsors each year prizes for high achievement in areas of the curriculum not included by other awards. They are as follows:

For excellence in Home Arts—Martha Lee Rafuse

For excellence in Fine Arts—Carol Ann Toner

For excellence in Russian—Janet Elizabeth McFarlin

For excellence in French—Oliver Royal Thomas

For excellence in Latin—Denise Marie Ginzler

The Bausch and Lomb Science Award

This medallion is given to a senior on the basis of outstanding academic achievement, good character and superior intellectual promise in the field of science.

Oliver Royal Thomas

Mathematics Prize

This new cash prize, established by the Weston Parent-Teacher Association, is in recognition of outstanding academic achievement in mathematics by a member of the graduating class.

Claire Gay Shneider

The U.S. Constitution Prize

Weston Post No. 214 American Legion annually offers a cash prize to the senior showing the best understanding of the United States Constitution.

Oliver Royal Thomas

Prize in Creative Writing

The Weston Parent-Teacher Association has also sponsored this cash prize given to a member of the graduating class for notable accomplishment in creative writing.

Catherine Sinclair Ashbrook

Horace S. Sears Essays

Under the provisions of the will of Horace S. Sears, cash prizes are given to members of the senior class each year "for the best theses on 'Industrial Solidarity,' or on such other industrial topic as the principal may select, and such other prizes for the promotion of good scholarship and the upbuilding of fine character as the principal may from time to time determine."

Winner: Robert Stetson Shaw

Honorable Mention: Denise Marie Ginzler
Barbara Wareham
Oliver Royal Thomas

Weston Arts & Crafts Association

The Weston Arts & Crafts Association is presenting an award to a member of the graduating class to encourage that student to continue her excellent work in art.

Christine Anne Comeau

Alumni Association Award

The Weston High School Alumni Association annually awards a certificate to the senior having the highest four-year scholastic average. To be eligible, the student must have attended Weston High School for at least three years. In addition to receiving the certificate the recipient has his or her name inscribed on the permanent Alumni Award Plaque displayed in the lobby of the school.

Claire Gay Shneider

The Donna Dubuque Scholarship Award

This new scholarship award has been established in memory of Donna Dubuque, a member of the Class of 1964, by her classmates and friends. The scholarship will be awarded on the basis of scholarship, character and need to help a girl of the Class of 1964 with her second year of higher education.

Weston Rotary Club Prizes for Extemporaneous Speaking

Sponsored by the Weston Rotary Club to stimulate interest in public speaking, these prizes are awarded each year on the basis of performance in the Rotary Club Speech Contest. This year the prizes are awarded to:

Robert Alan Moore—1st Prize

Robert Stetson Shaw—2nd Prize

Special Community League Awards

Mrs. Kenneth Germeshausen, First Vice-President of the Women's Community League of Weston, presented substantial awards to the young man and the young woman of the graduating class who best exemplify the traits of leadership, character, and scholarship.

Leslie Elizabeth Byrne

Richard Palmer Berry, Jr.

The Theodore Chandler Memorial Awards

Mr. Adam Rizzo, President of Weston Boosters, announced the winners of the Theodore Chandler Awards given to the one boy and the one girl in the graduating class considered outstanding in athletics, scholarship and sportsmanship.

Virginia Martha White

Robert Patrick D'Antonio

REPORT OF THE WESTON WAR MEMORIAL EDUCATIONAL FUND COMMITTEE

The Weston War Memorial Educational Fund, originally founded as the Weston High School Alumni Scholarship Fund by a group of the Alumni of the Class of 1916 and friends, was formally accepted as a Town Fund at the annual town meeting of March 23, 1953. The fund was created as a permanent memorial to the citizens of Weston who served in the armed forces in all wars. The purpose of the Fund is "to assist and advance the post-secondary education of graduates of Weston High School."

The total principal amount of the Fund was \$7,753.96 as of December 31, 1964. Earned income during 1964 amounted to \$371.66. This was reduced by the amount of one scholarship. The income balance December 31, 1964, was \$234.03.

In 1964, additions to the fund amounted to \$395.25, bringing the total principal amount of the Fund to \$8,149.21. Additions to the Fund were as follows:

Estate of Gardner Tucker	\$200.00
Class of 1939	55.00
Weston Jr. H.S. Student Council	15.00
Verna L. Slayter	5.00
David G. Siegel	45.00
Transfer from income to principal	75.00
Adjustment for profit from sales of securities 1963 ..	.25

The committee gratefully acknowledges the gifts received during the year.

This year the scholarship was awarded to Mr. Richard Hosterman, 325 Merriam Street, who is attending Syracuse University.

The Fund has grown primarily due to the gifts of recent graduating classes of Weston High School and of the class celebrating its twenty-fifth reunion. Persons wishing to make contributions to the Fund should communicate with the Secretary of the Committee at the Weston Junior High School or with any member of the Committee.

REPORT OF THE BOARD OF LIBRARY TRUSTEES

1964 was another year of growth for the Weston Public Library. Circulation again increased more than 10%. Record circulation increased more than 500. More books were bought and more, of necessity, discarded. More were loaned to the schools, and more were obtained through inter-library loans. More fines and fees were turned into the Town treasury.

Since May, the Library has subscribed to the McNaughton Lend-Lease Plan. This service loans books to the Library for a period of months, which enables us to reduce duplicate buying and yet have more copies of "best-sellers" available while the demand is high.

During the year the Library Trust Funds were increased by a gift of \$1,000.00 from the estate of Mrs. Agnes Blake Fitzgerald; and by gifts made in memory of Miss Maude M. Pennock, Librarian for over 36 years.

The Library is also the richer for books given in memory of the late John Edward Cain, Jr. and two handsome volumes given by the Weston Arts and Crafts Association.

The generosity of the Garden Clubs provided flower arrangements which gave immeasurable pleasure to everyone all year long.

Chief Librarian Richard Bodge and the staff have earned more praise than we can express, their usual difficulties having been compounded by serious accidents overtaking Mrs. Ruth Rusden and Mr. John Cain.

The Library Expansion Committee, most ably led by Mr. Ronald D. Eames, has by countless hours of hard work inspired our respect and admiration. We most sincerely hope its efforts will meet with Town approval.

Park and Cemetery

REPORT OF THE PARK AND CEMETERY COMMISSION

In addition to routine maintenance, the Commissioners concentrated this past year on more expert pruning and feeding of shrubs in our seven parks and four cemeteries. The prolonged drought of the summer extended well into the fall and necessitated more watering than is normally required. The Commission also assumed the care and maintenance of new plantings that had been donated and installed around the Town House in the spring of 1963. The Commissioners believe that emphasis on proper feeding, watering and pruning by our own trained full time personnel, is going far toward preserving the natural beauty of the parks and cemeteries.

Conscious, too, of the Town's inevitable further growth, we have studied ways of reducing maintenance so that costs will not keep pace with the rise in population. To that end, certain lanes and roadways in Linwood Cemetery that have been eroding with almost every storm, have been hard-topped in such critical segments. More of this work is planned for 1965 to cut maintenance while still retaining the "country look" of our cemetery terrain.

Based on consultation with landscape experts we likewise intend gradually to transform certain paths from gravel to grass, for we have found that a little extra mowing area requires far less time and labor than the otherwise required gravel replacement, raking and edge trimming. Simultaneously, guided by such planning and planting advice, we steadily are improving the newer section of Linwood Cemetery in which several lots already have been sold, avenues laid out, and named.

The Town Report for 1962 carried the complete Cemetery Regulations. It is recommended that all residents, particularly the newer ones, acquaint themselves with these Rules. Copies are available in the Town House, the Public Library and through any of the Commissioners and their Burial Agent. Among the many important rules, particular attention is called to Article two of Section three which reads:

"No lot shall be sold to anyone not a resident of the Town of Weston at the time of such sale. No body shall be interred in such lot unless the deceased was at the time of his or her death an owner of such lot or was related by blood, marriage or adoption to an owner of such lot."

Thus are we endeavoring, despite the population growth, to preserve the Town's Cemeteries for the people who have lived here.

A summary of 1964 transactions is as follows:

Interments:	Resident	20
	Non-resident	15
		<hr/>
	Total	35

Receipts:	Sale of lots	\$ 1,403.00
	Sale of Perpetual Care	3,750.00
	Annual Care of Lots	186.50
	Interments	2,015.00
	Grave Liners	370.00
	Foundations	387.25
	Misc.	40.00
		<hr/>
	Total	\$ 8,151.75

Number of lots sold: 20

In accordance with regular practice, receipts from sale of lots and perpetual care were added to the Sale of Lots Fund and the Perpetual Care Fund respectively, all other receipts being paid into the Town Treasury.

Recreation

REPORT OF THE RECREATION COMMISSION

In 1964 the Recreation Commission improved and augmented its existing facilities. The areas of major emphasis were in tennis and skiing.

Summer Program

Memorial Pool. The pool opened for its fourteenth season on June 23rd and closed on September 1st. The total attendance was 28,541 people. There were 77 pool days, an unusually poor season because of inclement weather. The pool personnel consisted of Frank R. Hill, Jr., Director, two Red Cross Instructors, 5 life guard-teachers, and a badge seller. The "buddy system" was continued and a full Red Cross swimming program was maintained. A successful water carnival was held on July 30th with 925 people attending. The life-saving classes gave a water safety demonstration and children of various age and ability groups participated in races. The Commission has requested a substantial sum in its 1965 budget for further improvement of this facility.

Playground. The playground activities were well attended during the morning and afternoon programs. The average daily attendance was 200 to 250 children. The program included an elementary tennis group, baseball, archery, and group games. Four baseball games were played against teams of recreational organizations from nearby communities. These activities continued for eight weeks using outdoor facilities when the weather permitted and indoor facilities in inclement weather. Beginning Arts and Crafts averaged 50 children per day and 161 boys and girls registered for six weeks of advanced Arts and Crafts under the guidance of two instructors. Projects were made of wood, aluminum, copper, and ceramic clay.

The summer evening programs at the Case House on Tuesday and Thursday nights were very well attended. There were over 100 persons per night. On Wednesday evenings more than 100 children enjoyed the movies which were shown.

Tennis. Tennis continues to be one of the most popular outdoor activities in Weston. Instruction was offered three mornings a week for two hours per morning for Junior and Senior High School students. Five instructors handled an average of 80 youngsters per day. This program will be offered in 1965 as the response was so enthusiastically received. The Commission plans to resurface the Brook School courts in the spring and to investigate more thoroughly the possibility of lighting some courts for night playing.

Fall, Winter and Spring

Cat Rock. The Commission operated the ski slope and rope tow for a very successful season of skiing. 500 family memberships and 600 individual buttons were sold. During the summer the slope was lengthened substantially, a longer rope was purchased and

installed, and a new gasoline motor was ordered. The price of season family memberships was raised to \$10.00, single memberships to \$5.00, and a single daily ticket to \$1.00. The idea to electrify Cat Rock has been abandoned as the cost is prohibitive. Other improvements will wait until the success of the present improvements are assessed and evaluated.

Skating. The skating pond was used when the weather was favorable. The Commission is working to further improve the skating area.

Other Activities. The Saturday morning elementary sports program for boys continues to be popular. From October to June they participate in flag football, soccer, basketball, volleyball, baseball, softball, and group games. From December to March the Saturday afternoon program for high school boys has an average attendance of 40 per afternoon.

Badminton is well attended on Wednesday evenings. The adult program for men and women on Tuesday evenings at the Junior High School offers basketball, volleyball, and physical fitness. Under investigation is the possibility of indoor tennis to be started this winter.

Questionnaire. Miss Mary B. Horne of the Commission prepared and mailed to the town a questionnaire on December 1st eliciting areas of recreational interest. A return of 20% was gratifying and the following areas, listed in order of preference, were the most popular:

Winter: Ice skating, Cat Rock skiing, Swimming pool; **Summer** Swimming pool, tennis, arts and crafts.

Also of preferred interest were indoor tennis and bowling in the winter and in the summer they chose golf and softball. There were many areas of minor interest such as basketball, volleyball, gymnastics, and modern dance.

A similar questionnaire was distributed at the Junior High School and the Senior High School and the response was also tallied. The return was very high as the questionnaires were distributed in the classrooms by the teachers and collected and returned to the offices after the students completed them. The following areas, listed in order of preference, were the most popular: **Winter:** Swimming pool, skiing, skating; **Summer:** Swimming pool, tennis, canteen.

Also of preferred interest for Junior High boys were bowling and basketball; senior high boys preferred basketball and volleyball. The Junior High girls chose basketball and bowling; the senior high girls basketball and indoor tennis. In the summer Junior High and Senior High boys preferred baseball and golf. The Junior High girls chose basketball and softball; the Senior High girls basketball, softball and field hockey.

In the future the Recreation Commission hopes to develop and improve programs and facilities from the areas of interest indicated on the questionnaires so that Weston will continue to have an outstanding recreation program.

Unclassified

REPORT OF THE WESTON-ROMBAS AFFILIATION COMMITTEE

Entering its fifteenth year of affiliation with the town of Rombas, France, the Weston-Rombas Affiliation Committee is sponsoring the studies in Weston High School of Christine Henrion, accomplished pianist and student of the Lycee de Rombas. Christine arrived in September from France with Edward Stritter and Leslie Townsend, last year's representatives to Rombas from Weston, and has made many friends in these four months, as well as enhancing the Weston High School Christmas concert with two piano solos.

Susan Pexton, this year's Weston student to Rombas, sailed for France in early September with Christiane Gombert and Genevieve Nicoletta, last year's students from Rombas, whose parents visited Weston last spring. Two receptions were given under committee auspices with Town officials present—in May at the home of Mr. and Mrs. C. K. Cummings an official letter of welcome was presented to M. and Mme. Marcel Gombert by Miss Florence Freeman of the Board of Selectmen; in June at the home of Dr. and Mrs. Carl Bartels a similar letter was presented to M. and Mme. Raymond Nicoletta by Mr. Edward M. Dickson. Bonds of friendship between Weston and Rombas were increased by these visits.

For a fourth year the committee is sponsoring a student from Porto Alegre, Brazil. Tony Sanvicente of the Colegio de Aplicacao arrived in Weston in October to attend Weston High School as a member of the senior class. Russell Terkelsen of Weston attended Tony's school in Porto Alegre for six months last spring under committee sponsorship and is now a senior at Weston High School.

With its aim to promote world understanding through more student exchanges, as resources permit, the Weston-Rombas Affiliation this year has invited a student from Greece, Stathis Zachos of Athens College, another academically able member of Weston High School's senior class.

Also, in its role of coordinator of all high school level student exchanges in the Town, it is pleased with the efforts of individuals and organizations with similar aims and welcomes opportunities to cooperate with them.

The Weston-Rombas Affiliation is an official Town committee, but receives no appropriation from the Town. Operational expenses for student exchanges are financed entirely by donations and various fund-raising events, such as were held this past year:

A privately sponsored, successful "Tasting of the Wines of France."

An evening of Greek dancing in the spring at the Town Hall, including costumed exhibition dancing and singing.

The annual sale of Christmas cards, designed this year by Mrs. John L. Kronenberg, to whom the committee is most grateful. Our sincere thanks also to the school children and school personnel, and to the Newton-Waltham Bank and the Waltham Savings Bank who assist in this effort.

A Christmas vacation movie for children, "The Private War of Major Benson," held December 28th at the High School auditorium.

For the coming year another wine-tasting and later an evening of Greek dancing are being planned, but the committee still depends heavily on the fund appeal to townspeople. With generous donations and continuing cooperation and help from all interested citizens, Weston's own student exchange program can continue its successful growth.

The Committee wishes to express its gratitude to the following people who have generously provided hospitality for our visiting students during the past year:

Mr. and Mrs. James M. Banghart
Mr. and Mrs. Arthur L. Besse
Mr. and Mrs. William C. Brown
Dr. and Mrs. Vincent Campelia
Dr. and Mrs. Demetre Decaneas
Mr. and Mrs. Edward A. deCrosta
Mr. and Mrs. Leopold Gruener
Mr. and Mrs. Paul B. Herrick
Mr. and Mrs. Robert T. Kiely
Mrs. J. Philip Lane
Mr. and Mrs. Paul D. Littlefield
Mrs. Elizabeth Hoagland Loomis
Mr. and Mrs. Harry A. A. Low
Mr. and Mrs. Hugh McGettigan
Mr. and Mrs. Lawrence H. Pexton
Mr. and Mrs. Edward S. Stritter
Mr. and Mrs. Alfred Tenneson
Mr. and Mrs. George W. Terkelsen
Mr. and Mrs. Robert A. Townsend
Mr. and Mrs. Robert A. Weaver

Water Department

REPORT OF THE BOARD OF WATER COMMISSIONERS

1964 represented a peak year for the purchase of water by users in the Town of Weston. Water rate receipts were \$109,530.97, representing a 9.6% increase over the previous record year of 1963. We also added 110 new services to our system during the year. We purchased and pumped 375,427,970 gallons of water during the year, second only to our pumping experience in 1963. We believe that our ability to increase sales without a corresponding increase in gallons pumped was due to our water leak survey program. During the year, 21 leaks were found and repaired.

The greatest daily and weekly demands for water were placed on our system in late May, with a maximum day use of 2,217,500 occurring on May 28th. Despite the dry spell, which lasted throughout the summer, the demands for water never exceeded the levels established in May and remained within the system's pumping capacity.

The contracts for our new Wellesley St. pumping station and the installation of water mains in Wellesley St. were let and construction was started in the summer and we anticipate that the connection into the Hultman Aqueduct will be completed in the spring, prior to our periods of normal high demands.

The following comparative statistics show the Water Department's operations for 1963 and 1964:

WESTON WATER DEPARTMENT STATISTICS—1963-1964

	1964	1963
Kendal Green	82,027,620	76,182,120
Nickerson Field	254,633,500	211,319,500
Fitzgerald Well	38,292,100	105,411,100
Total Gallons Pumped	374,953,220	392,912,720
Total Gallons Purchased	474,750	108,666
Pumped and Purchased	375,427,970	393,021,386
Greatest Amount in One Day	2,217,500 (5/28)	2,527,840 (7/27)
Greatest Amount in One Week	13,239,840 (5/22) (5/28)	15,564,180 (7/22) (7/28)
Greatest Amount in One Month	44,708,800 (July)	51,535,740 (July)
Miles of Main Added	3.90	1.38
Miles of Main Acquired	0	.12
Total Miles of Main	72.05	68.15
New Services	110	93
Total Services	2371	2261
Hydrants Added	40	16
Total Hydrants	605	565
Receipts:		
Water Rates	\$109,530.97	\$100,268.46

Extension Costs Reimbursed	61,694.48	58,609.00

Town Records, 1964, Condensed

ANNUAL TOWN MEETING, MARCH 28, 1964

Pursuant to a warrant duly served the annual town meeting was called to order in the lower town hall by Richard H. Field, Moderator, at 8:00 A.M., March 28, 1964, for action on Article 1.

It was unanimously voted to dispense with the reading of the warrant.

Article 1. To bring in their votes for the following town officers to be voted for on one ballot:

A moderator	For term of
One selectman	One year
One selectman (to fill vacancy)	Three years
One member of the board of public welfare	One year
One assessor	Three years
Two members of the school committee	Three years
One member of the school committee to (fill vacancy)	Three years
A treasurer and collector	One year
One library trustee	One year
One park commissioner	Three years
One park commissioner (to fill vacancy)	Three years
One cemetery commissioner	One year
One cemetery commissioner (to fill vacancy)	Three years
One member of the board of health	One year
One commissioner of trust funds	Three years
Three measurers of lumber	Three years
One water commissioner	One year
One member of the planning board	Three years
A tree warden	Five years
Two members of the recreation commission	One year
	Three years

The results of the election were as follows:

MODERATOR (for one year)

Richard H. Field, 74 Sudbury Road, Caucus Nominee	1235
Blank	145

SELECTMAN (for three years)

Herman Koester, Jr., 7 Conant Road, Caucus Nominee	923

The business meeting was called to order in the auditorium of the Senior High School by Richard H. Field, Moderator, at 8 o'clock p.m. on March 30, 1964, to act on the remaining articles of the warrant.

The Moderator determined and announced the presence of a quorum.

It was unanimously voted to dispense with the reading of the warrant.

The following resolution was unanimously adopted:

Resolved: We, the citizens of Weston assembled in annual town meeting, have learned with deep regret of the death in September, 1963, of Miss Maude M. Pennock, former Librarian of the Public Library.

A citizen of Weston during the greater part of her long life, Miss Pennock was appointed assistant at the Library in 1902 and Librarian in 1903. She retired in 1939. During her thirty-seven years of devoted and able service she was a principal factor in bringing the Library to an outstanding position as a small-town library and laid a solid foundation for its maintaining that position during the period of vast expansion of the work of the Library which has occurred since her retirement, and will continue in the future, in a considerably larger Town.

We now mark our sincere appreciation of Miss Pennock's service.

Further resolved that this resolution be spread upon the records of the Town and that the town clerk send a copy to Miss Pennock's family.

The following resolution was unanimously adopted:

Resolved: Tonight we, the citizens of Weston, assembled in annual town meeting, note with profound regret that our treasurer and collector, Mrs. Helen E. Cutting, has declined reelection.

A lifelong citizen of Weston, a member of one of its old families, and by marriage a member of another, Mrs. Cutting has been imbued since childhood with an acute sense of Weston's traditions and values which has always formed the background of her service to the Town.

Some of our senior citizens will remember her well as a teacher in the High School. The qualities which made her outstanding in that capacity were the same as those underlying her later exemplary service as treasurer and collector. She became well acquainted with the functions of the treasurer and collector by assisting her husband, George W. Cutting, Jr., over a long period of years when he held that office, and upon his death in February, 1942, it was only natural that she should be appointed to fill the office temporarily. She was elected treasurer and collector at the annual election in March that year and has been re-elected each year since.

During the twenty-two years of Mrs. Cutting's service as treasurer and collector the work and responsibilities of that office have expanded greatly through the growth of the Town and additional functions. Mrs. Cutting has taken this "in stride" and throughout has faithfully performed her complex duties with accuracy, a complete grasp of the laws and procedures involved, patience and courtesy in her dealings with taxpayers and others, and a willing contribution of the plain hard work and long hours required. It can truthfully be said that no town ever had a better treasurer and collector.

We now express to Mrs. Cutting our sincere appreciation of her long service to the Town and our best wishes for her years of retirement.

Further resolved: that this resolution be spread upon the records of the Town and that the town clerk send a copy to Mrs. Cutting.

The following resolution was unanimously adopted:

Resolved: We, the citizens of Weston in annual town meeting, take this occasion to express our appreciation of the faithful and able services to the Town of the following officers:

Leonard H. Dowse, who has served the Town for many years as director of civil defense, member of the veterans housing board, member of the finance committee, and for the past three years as selectman.

Stephen H. Tyng, formerly devoted to the affairs of the public schools as a member of the school committee, and for the past two years to the affairs of the Town as a whole as a selectman.

W. Brownell Freeman, a valued and assiduous member of the board of assessors.

Eleanor M. Bump, diligent and sagacious as a member of the school committee and in other capacities in connection with the public schools.

Edward H. Burt and Caroline B. Morse, who have devoted themselves wholeheartedly to the management and improvement of the recreation department of the Town.

Arra S. Avakian, who has contributed much effort and wisdom to the problems confronting the planning board.

Donald Wyman, park commissioner, and John B. Paine, Jr., park commissioner and cemetery commissioner, who have devoted themselves to the management and beautification of these properties of the Town.

Edward B. Hubbard, trust fund commissioner, who has contributed his special skills to the investment and management of the Town's trust funds.

Alfred R. Wypler, Jr., painstaking and faithful member of the finance committee.

Winfred A. Martin, devoted and hard working superintendent of cemeteries for thirty-two years.

The following resolution was unanimously adopted:

Resolved: That we, the citizens of Weston in annual town meeting, take this occasion to express our appreciation of the faithful and able service of Grant M. Palmer, Jr. who is retiring this year as Town Counsel, an office that he has held since April, 1946.

He has served the town in various capacities for more than forty-five years: first as an instructor at the town swimming pool in 1919; as chairman of the special school building committee in 1932 which constructed a new high school (now Building "C" at the Brook School); as a member of the School Committee from 1942 to 1946; as a trustee of the town library continuously since 1928.

In his varied capacities, Mr. Palmer has served with devotion and distinction and has shown judgment and skill in the performance of his duties.

In discharging the exacting duties of Town Counsel he has worked assiduously and conscientiously.

His helpfulness to all Town officials in the problems of administration has been calm, kindly, and judicious and has been accompanied by the utmost courtesy and consideration.

No important matter for many years has been undertaken or completed by the Town without his wise counsel and advice.

We are fortunate that he will continue to serve as a Library Trustee.

Further resolved: That this resolution be spread upon the records of the Town and that the Town Clerk send a copy to Grant M. Palmer, Jr.

Article 2. To raise and appropriate such sums of money as may be necessary to defray the costs of government and other town charges for the current year; and to fix the salaries and compensation of elected officers of the Town for the current year.

Article 2 (1): Mr. Dowse moved that the several sums of money recommended by the selectmen for appropriation in 1964 in accordance with section 5 of Article II of the by-laws, set forth on pages 36 to 51 of the annual town report for 1963, be appropriated for their respective purposes set forth on said pages.

Mr. Muldoon moved that Mr. Dowse's motion be amended by increasing the appropriation for assessors \$7500. for the purpose of hiring an assistant assessor under the control of the assessors.

Mr. Dowse did not accept Mr. Muldoon's amendment to his motion.

Mr. Muldoon's motion was defeated.

Mr. Dowse's motion in its original form was then carried unanimously and the appropriations voted were as follows:

GENERAL GOVERNMENT

Selectmen — Chairman's Salary	\$ 200.00

Voted (2): That the rates per year of the salaries of the members of the board of selectmen, the town clerk, the members of the board of public welfare, the members of the board of assessors, the members of the board of health, and the members of the board of water commissioners be fixed, effective from January 1, 1964, in amounts equivalent to the amounts appropriated for such salaries, respectively, by previous vote under this article; that the rate per year of the salary of the treasurer and collector be fixed at \$8,205.00 effective from January 1, 1964, to March 31, 1964, and at \$6,000.00 effective from April 1, 1964; and that all other elected officers of the Town be unpaid.

Voted (3): That five persons be appointed by the moderator to serve as a Memorial Day Committee in 1964, with authority to expend for the observance of that day the sum of \$425.00 already appropriated for that purpose by previous vote under this article.

Voted (4): That five persons be appointed by the moderator to serve as a United Nations Day Committee in 1964, with authority to expend for the observance of that day the sum of \$200.00 already appropriated for that purpose by previous vote under this article.

Voted (5): That in purchasing property any allowance made for turning in other property may be applied to the purchase price.

Article 3. To authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the current financial year, and to issue and renew or refund a note or notes therefor.

Voted: That the town treasurer, with the approval of the selectmen, be authorized to borrow from time to time in anticipation of the revenue of the current financial year to an amount not exceeding \$1,500,000.00 and to issue therefor a note or notes each payable within one year from its date, and to renew or refund any note or notes given for a period of less than one year in accordance with General Laws, chapter 44, section 17.

Article 4. To transfer money from the overlay reserve fund to the reserve fund.

Voted: That the sum of \$12,900.00 be transferred from the overlay reserve fund to the reserve fund, to be added to the sum of \$12,000.00 already appropriated for the reserve fund by vote under Article 2.

Article 5. To appropriate money from available funds for the purpose of deduction by the assessors in determining the annual assessment of taxes in the current year.

Voted: That this article be passed over and so disposed of.

Article 6. To appropriate for the support of the Public Library the dog license refund received in the current year.

Voted: That the sum of \$1,729.59, being the amount of the 1964 dog license refund received from the treasurer of Middlesex County, be appropriated for Libraries - Other Expenses, in addition to the amount already appropriated for that purpose by vote under Article 2.

Article 7. To appropriate money from available funds in anticipation of state and county reimbursement for chapter 90 highway maintenance and construction.

Voted: That the sums of \$3,000.00 and \$19,200.00 be appropriated from available funds to meet that part of the cost of chapter 90 highway maintenance and chapter 90 highway construction, respectively, which falls upon the Commonwealth and Middlesex County; the reimbursements from the Commonwealth and Middlesex County to be restored upon their receipt to available funds.

Article 8. To appropriate money for construction and reconstruction of public ways.

Voted: That the sum of \$5,000.00 be appropriated for construction and reconstruction of public ways.

The following resolution was unanimously adopted:

Resolved that in construction and reconstruction of public ways the Town observe the standards prescribed by the regulations of the Planning Board respecting private ways, and that such work be prosecuted to completion with reasonable expedition.

Article 9. To appropriate the sum of \$18,977.26 for the purposes authorized by Acts of 1962, chapter 782, section 4, in connection with Highland Street, and, to meet said appropriation, to transfer the sum of \$18,977.26 from the proceeds received under the provisions of said section 4.

Voted: That the sum of \$18,977.26 be appropriated for the purposes authorized by Acts of 1962, chapter 782, section 4, in connection with Highland Street, and that, to meet said appropriation, the sum of \$18,977.26 be transferred from the proceeds received under the provisions of said section 4.

Article 10. To appropriate the sum of \$18,977.26 for the purposes authorized by Acts of 1963, chapter 822, section 5, in connection with Wellesley Street, and, to meet said appropriation, to transfer the sum of \$18,977.26 from the proceeds received or to be received under the provisions of said section.

Voted: That the sum of \$18,977.26 be appropriated for the purposes authorized by Acts of 1963, chapter 822, section 5, in connection with Wellesley Street, and that, to meet said appropriation, the sum of \$18,977.26 be transferred from the proceeds received or to be received under the provisions of said section 5.

Article 11. To appropriate money, to be provided by borrowing and/or taxation and/or from other sources, for laying or relaying water mains, and to authorize the issuing of bonds or notes.

Voted (1) unanimously: That the sum of \$35,000.00 be appropriated from available funds to the "Blanket Extensions" account of the water department for the use of the water commissioners for laying or relaying water mains not less than six inches but less than sixteen inches in diameter.

Voted (2): That the sum of \$13,000.00 be appropriated from available funds for the use of the water commissioners for laying or relaying a water main in North Avenue.

Article 12. To accept any or all of layouts of Rolling Lane, Woodchester Drive, and Pond Brook Circle as public town ways made by and described in orders of the selectmen adopted on March 17, 1964, on file in the office of the town clerk.

Voted unanimously: That the Town accept layouts of Rolling Lane, Woodchester Drive, and Pond Brook Circle as public town ways made by and described in orders of the selectmen adopted on March 17, 1964, on file in the office of the town clerk.

Article 13. To appropriate additional money for purchase of a pumper for the fire department.

Voted: That the additional sum of \$9,500.00 be appropriated for the use of the chief of the fire department, subject to the approval of the selectmen, for purchase of a pumper for the fire department.

Article 14. To appropriate money for the 1965 State census.

Voted: That the sum of \$750.00 be appropriated for the use of the selectmen for the 1965 State census.

Article 15. To discharge the special fire protection committee established in 1961.

Voted: That the special fire protection committee established in 1961 be discharged with the thanks of the Town for the committee's services.

Article 16. To discharge the special committee established in 1954 to investigate the matter of fluoridation of the Town's public water supply.

Mr. Dowse Moved: That the special committee established in 1954 to investigate the matter of fluoridation of the Town's public water supply be discharged with the thanks of the Town for the committee's services.

Mr. Dowse's motion was defeated.

Article 17. To accept General Laws, chapter 33, section 59, relating to the remuneration and vacations of town employees and officers performing certain military duty.

Voted: That the Town accept General Laws, chapter 33, section 59.

Article 18. To take any action respecting the plan, facilities, and site of the Public Library, including establishment of one or more special committees and appropriation of money.

Voted unanimously: That a special Public Library expansion committee of seven citizens of the Town be established (and continue in office until discharged by the Town) to investigate the whole problem, including site, of expanding the plant and physical facilities of the Public Library, and to make a written report with recommendations to the Town as soon as possible—that the moderator appoint the members of the committee and fill any vacancies in its membership—and that the sum of \$7,500.00 be appropriated from available funds for the use and purposes of the committee..

Article 19. To appropriate money for repair of the Brook School.

Voted unanimously: That the sum of \$53,140.00 be appropriated for the use of the school committee for repair of the Brook School.

Article 20. To authorize construction and equipping and furnishing of an addition to the Woodland School; and to appropriate money for such purposes.

Voted unanimously: That a special Woodland School addition committee of five citizens of the Town be established with full authority to cause the construction and original equipping and furnishing of an addition to the Woodland School—that the committee continue in office until discharged by the Town—that the moderator appoint the members of the committee and fill any vacancies in its membership—and that the sum of \$12,000.00 be appropriated from available funds for the use and purpose of the committee.

Article 21. To authorize construction and equipping and furnishing of an addition to the Senior High School; and to appropriate money for such purposes.

Voted unanimously: That a special Senior High School addition committee of five citizens be established with full authority to cause the construction and original equipping and furnishing of an addition to the Senior High School—that the committee continue in office until discharged by the Town—that the moderator appoint the members of the committee and fill any vacancies in its membership—and that the sum of \$7,500.00 be appropriated from available funds for the use and purposes of the committee.

Article 22. To authorize the sale and conveyance of a parcel of land of the Town containing 4225 square feet more or less, situated on the southeast side of Golden Ball Road between land of Small and land of

Carlson, and shown on a plan made by Charles H. Stimpson, Jr., dated June 11, 1951, and revised December 12, 1951; and to specify the minimum amount to be paid therefor.

Voted: That this article be passed over and so disposed of.

Article 23. To authorize the Town's taking a lease of land adjacent to the Kendal Green railroad station for a public parking place; and to appropriate money for such leasing.

Voted: That the selectmen be authorized in the name and behalf of the Town to hire land adjacent to the Kendal Green railroad station for a public parking place by a lease for such period of time, not exceeding three years, for such rent, and upon such terms and conditions as they may determine; and that the sum of \$600.00 be appropriated for the use of the selectmen for such leasing.

Article 24. To accept a layout of Center Street as a public town way made by and described in an order of the selectmen adopted on March 17, 1964, on file in the office of the town clerk; and to appropriate money for construction of said way.

Voted unanimously: That the Town accept a layout of Center Street as a public town way made by and described in an order of the selectmen adopted on March 17, 1964, on file in the office of the town clerk; and that the sum of \$3,000.00 be appropriated from available funds for the use of the selectmen for construction of Center Street.

Article 25. To authorize the acquisition by purchase, eminent domain, or gift, for the purpose of a public parking place, of the fee or other interests in land situated in the area generally southerly of the central fire station property of the Town; and to appropriate money for such acquisition and the maintenance of such parking place.

Voted unanimously: That the selectmen be authorized to acquire in the name and behalf of the Town by purchase, eminent domain, or gift, for the purpose of a public parking place, the fee or other interests in land situated in the area generally southerly of the central fire station property of the Town—that said land or interests therein may be acquired subject to such terms and conditions as the selectmen may approve—that the selectmen be authorized in the name and behalf of the Town to take any options and make any purchase and other contracts suitable to the acquisition thereof—and that the sum of \$25,000.00 be appropriated for the use of the selectmen for the acquisition thereof.

Article 26. To authorize construction and equipping and furnishing of an addition to the Town's municipal garage situated on the Boston Post Road By-Pass; and to appropriate money for such purposes, to be provided by borrowing and/or taxation and/or from other sources, and to authorize the issuing of bonds or notes.

Mr. Dickson Moved: That the selectmen be authorized to cause the construction and original equipping and furnishing of an addition

to the Town's municipal garage situated on the Boston Post Road By-Pass (increasing the floor space thereof); and that for the use of the selectmen for such construction and original equipping and furnishing the sum of \$75,000.00 be appropriated, of which \$15,000.00 be appropriated from available revenue funds, and \$60,000.00 be raised by borrowing inside the statutory limit under the authority of chapter 44 of the General Laws, as amended, to which end the town treasurer, with the approval of the selectmen, be authorized to prepare, issue, and sell bonds or notes of the Town at one time or from time to time, and to determine in conformity to law the period of the loan or loans, all particulars as to the form, issue, and sale of said bonds or notes, their annual maturities, and the rate and times of payment of interest on them.

Mr. Paul Secord moved: That Mr. Dickson's motion be amended by reducing the amount appropriated from \$75,000.00 to \$35,000.00, and by reducing the amount to be raised by borrowing from \$60,000.00 to \$20,000.00.

Mr. Secord's motion was adopted.

Mr. Dickson's motion as amended was adopted unanimously, it being

Voted unanimously: That the selectmen be authorized to cause the construction and original equipping and furnishing of an addition to the Town's municipal garage situated on the Boston Post Road By-Pass (increasing the floor space thereof); and that for the use of the selectmen for such construction and original equipping and furnishing the sum of \$35,000.00 be appropriated, of which \$15,000.00 be appropriated from available revenue funds, and \$20,000.00 be raised by borrowing inside the statutory limit under the authority of chapter 44 of the General Laws, as amended, to which end the town treasurer, with the approval of the selectmen, be authorized to prepare, issue, and sell bonds or notes of the Town at one time or from time to time, and to determine in conformity to law the period of the loan or loans, all particulars as to the form, issue, and sale of said bonds or notes, their annual maturities, and the rate and times of payment of interest on them.

The meeting was dissolved at 10:37 P.M.

PRESIDENTIAL PRIMARY, APRIL 28, 1964

Pursuant to a warrant duly served the Presidential Primary was held on April 28, 1964, in precinct 1 in the lower town hall and in precinct 2 in Weston Junior High School. The polls were open from 7:00 A.M. until 8:00 P.M. Total ballots cast were as follows:

	Precinct		Total
	One	Two

April 28, 1964

Received from the Secretary of the Commonwealth and filed a certified copy of "An Act Establishing a Park and Cemetery Commission in the Town of Weston".

Chapter 294

THE COMMONWEALTH OF MASSACHUSETTS

In the Year One Thousand Nine Hundred and Sixty-Four
AN ACT Establishing a Park and Cemetery Commission in
the Town of Weston

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Notwithstanding the provisions of any general law, special law or by-law, there shall be in the town of Weston a park and cemetery commission hereinafter called the commission, consisting of three members to be appointed by the selectmen. Upon the effective date of this act the selectmen shall appoint one member of the commission to serve until the next April first thereafter, one member to serve until the second April first thereafter, and one member to serve until the third April first thereafter. In the year of the expiration of the shortest of such initial terms, and in each year thereafter, the selectmen shall appoint one member to serve for a term of three years commencing April first. The selectmen shall fill any vacancy in the commission for the unexpired term.

SECTION 2. Upon the initial appointment and qualification of the members of said commission, the board of park commissioners and the board of cemetery commissioners in said town shall be abolished, the terms of office of the members of said boards shall terminate, and all the powers, duties and trusts conferred or imposed by law on said boards shall be transferred to, and exercised by, the commission.

House of Representatives, April 15, 1964

Passed to be enacted, John F. Thompson Speaker

In Senate, April 15, 1964

Passed to be enacted, Maurice A. Donahue President

April 21, 1964.

Approved,

ENDICOTT PEABODY
Governor

SPECIAL TOWN MEETING, JUNE 9, 1964

Pursuant to a warrant duly served a special town meeting was called to order in the auditorium of the Senior High School at 8 P.M. by Richard H. Field, Moderator, who determined and announced the presence of a quorum. It was voted unanimously to dispense with the reading of the warrant.

The town clerk being absent, the meeting proceeded to the election of a temporary clerk by ballot, the check list having been used in admitting registered voters to the meeting. Harry B. Jones was nominated, and there were no other nominations. The two selectmen present (Mr. Koester and Miss Freeman) received and counted the votes cast for temporary clerk and declared that Harry B. Jones was elected, having received 80 votes. Mr. Jones was then sworn to the faithful performance of his duties as temporary clerk by the moderator in open meeting.

Article 1. To appropriate money, to be provided by borrowing and/or by taxation and/or from other sources, for the construction and original equipping and furnishing of an addition to the public school building of the Town known as the Woodland School, and to authorize the issuing of bonds or notes.

Voted unanimously: That the additional sum of \$260,500.00 be appropriated for the use of the special Woodland School addition committee for the construction and original equipping and furnishing of an addition to the public school building of the Town known as the Woodland School (increasing the floor space thereof) pursuant to the vote adopted at a town meeting on March 30, 1964, under Article 20 of the warrant; and that of said sum \$500.00 be appropriated from available funds and, with the approval of the State emergency finance board so far as required, \$260,000.00 be raised by borrowing outside the statutory limit under the authority of Acts of 1948, chapter 645, as amended, to which end the

town treasurer, with the approval of the selectmen, be authorized to prepare, issue, and sell bonds or notes of the Town at one time or from time to time, and to determine in conformity to law the period of the loan or loans, all particulars as to the form, issue, and sale of said bonds or notes, their annual maturities, and the rate and times of payment of interest on them.

Article 2. To accept an alteration of Center Street made by and described in an order of the selectmen adopted on May 29, 1964, on file in the office of the town clerk.

Voted: That the Town accept an alteration of Center Street made by and described in an order of the selectmen adopted on May 29 1964, on file in the office of the town clerk.

Article 3. To appropriate money, to be provided by borrowing and/or by taxation and/or from other sources, for the construction and original equipping and furnishing of an addition to the Town's central fire station for fire department and police department purposes, and to authorize the issuing of bonds or notes.

Voted unanimously: That the additional sum of \$27,000.00 be appropriated for the use of the selectmen for the construction and original equipping and furnishing of an addition to the Town's central fire station (increasing the floor space thereof) for fire department and police department purposes pursuant to the vote adopted at a town meeting on March 25, 1963, under Article 23 of the warrant; and that said sum be raised by borrowing inside the statutory limit under the authority of chapter 44 of the General Laws, as amended, to which end the town treasurer, with the approval of the selectmen, be authorized to prepare, issue, and sell bonds or notes of the Town at one time or from time to time, and to determine in conformity to law the period of the loan or loans, all particulars as to the form, issue, and sale of said bonds or notes, their annual maturities, and the rate and times of payment of interest on them.

Article 4. To authorize the acquisition by purchase, eminent domain, or gift, for the purposes of the fire department, of land adjacent to the present fire department lot on South Avenue; and to appropriate money for such acquisition.

Voted: That Article 4 be passed over and so disposed of.

Article 5. To authorize granting to the United States for a limited period the right to install, maintain and operate facilities for testing and calibration purposes on the site of the Town's water standpipe on Cat Rock Hill, together with incidental rights including the rights of travel and transportation and provision of electric service between said site and Bradford Road.

Miss Freeman moved: That the board of water commissioners and the recreation commission be authorized in the name and behalf of the Town to grant to the United States for a limited period the right to

install, maintain and operate facilities for testing and calibration purposes on the site of the Town's water standpipe on Cat Rock Hill, together with incidental rights including the rights of travel and transportation and provision of electric service between said site and Bradford Road, and to enter into and execute any suitable instrument or instruments; the period of the grant, the precise nature, extent and location of the rights granted, and all other terms and conditions of the matter to be in the discretion of said board and commission.

Mrs. Ecker moved that Miss Freeman's motion be amended by striking out the words "limited period" and inserting in place thereof the words "for a period of one year from the signing of the instrument" and striking out the words "the period of the grant".

Mrs. Ecker's amendment, which was not accepted by Miss Freeman, was defeated by a standing vote of 45 in the affirmative and 77 in the negative.

Mr. Saunders moved that Miss Freeman's motion be amended by striking out the words "limited period" and inserting in their place the words "period not to exceed three years from the time of the grant" and by striking out the words "the period of the grant".

Miss Freeman accepted Mr. Saunders' amendment and it was

Voted: That the board of water commissioners and the recreation commission be authorized in the name and behalf of the Town to grant to the United States for a period not to exceed three years from the time of the grant the right to install, maintain and operate facilities for testing and calibration purposes on the site of the Town's water standpipe on Cat Rock Hill, together with incidental rights including the rights of travel and transportation and provision of electric service between said site and Bradford Road, and to enter into and execute any suitable instrument or instruments; the precise nature, extent and location of the rights granted, and all other terms and conditions of the matter to be in the discretion of said board and commission.

At 9:42 P.M., upon motion duly made and seconded, the meeting was dissolved.

STATE PRIMARY, SEPTEMBER 10, 1964

Pursuant to a warrant served the State Primary was held on September 10, 1964, in precinct 1 in the lower town hall and in precinct 2 in Weston Junior High School. The polls were open from 7:00 A.M. until 8:00 P.M. Total ballots cast were as follows:

	<i>Precinct</i>		
	<i>One</i>	<i>Two</i>	<i>Total</i>

SPECIAL TOWN MEETING, OCTOBER 26, 1964

Pursuant to a warrant duly served a special town meeting was called to order in the auditorium of the Senior High School at 8 P.M. by Richard H. Field, Moderator, who determined and announced the presence of a quorum; the Moderator read the warrant.

Article 1. To appropriate money for the construction and the original equipping and furnishing of an addition to the public school building of the Town known as the Woodland School.

Voted: That the additional sum of \$34,000.00 be appropriated from available funds for the use of the special Woodland School addition committee for the construction and original equipping and furnishing of an addition to the public school building of the Town known as the Woodland School pursuant to the vote adopted at a town meeting on March 30, 1964, under Article 20 of the warrant.

Upon motion made and carried, the meeting was dissolved at 9:53 P.M.

STATE ELECTION, NOVEMBER 3, 1964

Pursuant to a warrant duly served the State Election was held on November 3, 1964, in precinct 1 in the lower town hall and in precinct 2 in Weston Junior High School. The polls were open from 7:00 A.M. until 8:00 P.M. Total ballots cast were as follows:

QUESTION NO. 1 PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

Yes	221	1777	1953	3951
No	29	251	238	518
Blanks	17	134	127	278

<i>Central</i>				
<i>Polling</i>	<i>Precinct</i>			
<i>Place</i>	<i>One</i>	<i>Two</i>	<i>Total</i>	

Summary

The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

Yes	239	1897	2088	4224
No	19	98	82	199
Blanks	9	167	148	324

Summary

In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

Yes	232	1651	1777	3660
No	20	287	346	653
Blanks	15	224	195	434

Summary

The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

<i>Central</i>				
<i>Polling</i>	<i>Precinct</i>			
<i>Place</i>	<i>One</i>	<i>Two</i>	<i>Total</i>	

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative?

Yes	246	1803	1957	4006
No	11	147	150	308
Blanks	10	212	211	433

Summary

The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

QUESTION NO. 5

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

Yes	124	1532	1649	3305
No	123	448	500	1071
Blanks	20	182	169	371

Summary

The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appoint-

<i>Central</i>				
<i>Polling</i>	<i>Precinct</i>			
<i>Place</i>	<i>One</i>	<i>Two</i>	<i>Total</i>	

ments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

QUESTION NO. 6

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative?

Yes	153	719	773	1645
No	92	1163	1301	2556
Blanks	22	280	244	546

Summary

Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation, to be paid as provided in the Act.. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

<i>Central</i>				
<i>Polling</i>	<i>Precinct</i>			
<i>Place</i>	<i>One</i>	<i>Two</i>	<i>Total</i>	

It is also provided that in addition to the compensation for the 1963 annual session the President of the Senate and Speaker of the House shall be paid thirty-nine hundred dollars, the floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice-Chairman of that committee of the House, shall be paid twenty-nine hundred and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

Blanks	18	159	144	321

**THE FOLLOWING SELECTED VOTES WERE ADOPTED
BY THE BOARD OF SELECTMEN IN 1964**

January 7, 1964:

Voted to add to schedule of fees for wire permits a new item as follows: II. C. Repairs and Maintenance. Annual permit for repair and maintenance of wiring located on the premises of a single firm: \$50.00.

January 14, 1964:

Voted that the action taken by the Town Treasurer to advertise the \$225,000 Water Loan No. 22 bonds be and it hereby is ratified, adopted, approved and confirmed;

That the \$225,000 Water Loan No. 22 bonds, authorized to be issued by votes duly adopted at the April 1, 1963 Adjourned Session of the Annual Town Meeting held on March 25, 1963, shall be issued at this time and that said bonds be dated as of January 15, 1964, and be in denominations of \$5,000 each;

That said bonds shall mature \$15,000 on the fifteenth day of January, in each of the years 1965 to 1979, inclusive; and shall be numbered 1 to 45, inclusive;

That the interest rate on said bonds be and it hereby is fixed at 2.90% per annum, payable semiannually;

That The First National Bank of Boston shall certify as to the genuineness of said bonds; and

That the bid of Kugel, Stone & Company of New York, to purchase said bonds, bearing interest at the rate of 2.90% per annum, payable semi-annually, at 100. 2207 plus accrued interest to date of delivery, being the best bid received for said bonds, be and it hereby is accepted, and the Town Treasurer be and she hereby is authorized to deliver said bonds to the aforesaid purchaser or order against payment therefor.

January 28, 1964:

Received formal notification from Superintendent of Streets that entry was made on January 24, 1964 on North Avenue in connection with order of taking adopted by Middlesex County Commissioners dated November 22, 1963. **Voted** to authorize executive secretary to notify the County Commissioners that entry has been made.

February 4, 1964:

The Board considered laying out Rolling Lane, Perry Lane, Woodchester Drive and Pond Brook Circle as public town ways in whole or in part. **Voted** that written notices of intention to make such layouts and of hearings to be held thereon at the Town Hall on Monday, February 24, 1964, be served by a police officer in behalf of the board.

February 24, 1964:

Pursuant to notices issued under date of February 14, 1964, the board held hearings at the Town Hall on the proposed layouts of Perry Lane, Rolling Lane, Woodchester Drive and Pond Brook Circle.

March 3, 1964:

The board considered laying out a new public way as shown on a plan (no. 14-1-H75) prepared by Charles H. Stimpson, Jr. - Town Engineer, dated January 22, 1964. **Voted** that written notice of intention to make such layout and of hearing to be held thereon at the Town Hall on Saturday, March 14, 1964, be served by a police officer on behalf of the board.

March 10, 1964:

Voted to engage the services of Donaldson Ray McMullin Associates as architects in connection with preparation of plans for construction of fire station on site located on South Avenue in vicinity of Ash Street.

March 14, 1964:

Pursuant to notice issued under date of March 9, 1964, the board held a hearing at the Town Hall on the proposed layout of a new public way as shown on a plan (no. 14-1-H75) prepared by Charles H. Stimpson, Jr. - Town Engineer, dated January 22, 1964.

March 17, 1964:

Voted to adopt and sign the warrant for the annual town meeting to be held on Saturday, March 28, 1964, to act on Article 1, and on Monday, March 30, 1964, to act on the remaining Articles, and that attested copies thereof be posted at the Town Hall, at the Kendal Green railroad station and on the town bulletin board at the junction of South Avenue and Newton Street. The warrant was accordingly signed.

A report having been received from the Planning Board concerning proposed layouts of Rolling Lane, Pond Brook Circle and Woodchester Drive, it was **voted** to adopt, sign and file in the office of the town clerk three layout orders for such ways and the plans made a part of the orders. The orders and plans were signed and filed accordingly.

A report having been received from the Planning Board concerning the proposed layout of a new public way designated as Center Street, it was **voted** to adopt, sign and file in the office of the town clerk a layout order for such way and the plan made a part of the order. The order and plans were signed and filed accordingly.

March 24, 1964:

Voted to advise Director of Accounts of the Commonwealth of prospective change of person holding the office of Treasurer and Collector so that a suitable audit of records of Treasurer and Collector may be carried out.

Voted (by authority of the vote of the Town under Article 17 of the warrant at the town meeting held on March 31, 1958) to approve and confirm acceptance and recording of four deeds dated August 8, 1957, and one deed dated November 14, 1957, by the Massachusetts Turnpike Authority to the Town recorded in Middlesex South District Deeds, Book 10468, Pages 335, 336, 337, 338, and 339, conveying and releasing certain parcels of land at Winter Street, Brown Street, Wellesley Street, Oak Street and South Avenue, and Ridgeway Road.

Voted to accept with appreciation the gift to the Town of Amy R. Dowse on behalf of the estate of Dudley P. Ranney of a picture of President Abraham Lincoln.

March 31, 1964:

Voted to adopt and sign the warrant for the Presidential Primary to be held on Tuesday, April 28, 1964, and that attested copies thereof be posted at the Town Hall, at the Kendal Green railroad station and on the town bulletin board at the junction of South Avenue and Newton Street. The warrant was accordingly signed.

Voted to approve and sign applications to Department of Public Works for project approval under Chapter 822, Acts of 1963, for work on Wellesley Street and under Chapter 782, Acts of 1962, for work on Highland Street.

April 21, 1964:

Voted to adopt and sign an amendement (no. 4) to Traffic Rules and Orders of the Town of Weston as follows:

Article VII, Section 8 is amended by adding to Schedule 3 thereof the following locations:

Brown Street—for east and westbound drivers at Winter Street

Shady Hill Road—for northbound drivers at Glen Road

Ware Street—for northeastbound drivers at Newton Street

Voted to accept the proposal of Corcoran Motor Sales Co., Inc. of Wellesley, Mass., submitted pursuant to notice to bidders advertised in The News Tribune, Waltham, Mass., April 1, 1964, for furnishing in accordance with Notice to Bidders, Information and Instructions and Specifications a 1964 model Ford station wagon for use of the Police Department for the sum of \$3,125.30 less trade--in allowance of \$1,739.30 for used 1963 Ford Country Sedan, making a net cost to the Town of Weston of \$1,386.00. This was the lowest net bid received pursuant to advertising as indicated above.

April 28, 1964:

The Board considered four orders of taking by eminent domain pertaining to Center Street, Rolling Lane, Woodchester Drive, and Pond Brook Circle, recently laid out and accepted as public town ways. It was **voted** to adopt and sign such orders and to file them in the office of the Town Clerk.

Further **voted** that within thirty days the town counsel record and register at the registry of deeds certified copies of the four orders of taking and of plans referred to therein,

Further **voted** that upon such recording and registration entries be made upon the four ways.

May 12, 1964:

Voted to approve the acceptance by the Chief of the Fire Department of proposal of Muzi Motors, Inc. of Needham, dated April 22, 1964, submitted pursuant to notice to bidders advertised April 16, 1964, in The News Tribune, Watham, Mass. for furnishing a 1964 Ford truck chassis for the Fire Department for the sum of \$4,654.77, being the lowest bid received.

May 12, 1964:

The Board considered an alteration of Center Street, a public town way, near its south end. **Voted** that written notice of intention to make such alteration be served by a police officer on behalf of the board.

May 22, 1964:

Voted that the Town Treasurer with the approval of the Selectmen borrow \$300,000 by the issue and sale of notes in anticipation of revenue as authorized by vote of the annual town meeting held on March 30, 1964 under Article 3.

Voted that four notes, two in the amount of \$100,000 each and two in the amount of \$50,000 each, authorized to be issued by vote of the Town duly adopted March 30, 1964, and by vote of the Selectmen earlier at this meeting shall be issued, shall be dated June 1, 1964, shall mature November 4, 1964, that the interest rate on said notes shall be fixed at 1.72 per cent per annum discounted at date of issue, and that the Director of Accounts of the Bureau of Accounts of the Commonwealth shall certify as to the genuineness of said notes. Further **voted** to approve the sale of said notes to Boston Safe Deposit and Trust Company at par less interest discounted and that the Town Treasurer be and she hereby is authorized to deliver said notes to the aforesaid purchaser. Further **voted** to sign the said notes which were accordingly signed.

May 29, 1964:

Voted to adopt and sign the warrant for a special town meeting to be held on June 9, 1964, and that attested copies thereof be posted at the Town Hall, at the Kendal Green railroad station, and on the town bulletin board at the junction of South Avenue and Newton Street. The warrant was accordingly signed.

A report having been received from the Planning Board concerning a proposed alteration of Center Street, a public town way, it was **voted** to adopt, sign and file in the office of the town clerk an alteration order for such way and the plan made a part of the order. The order and plan were signed and filed accordingly.

June 2, 1964:

The board considered proposals to the Tree Warden and Moth Superintendent received pursuant to notice to bidders dated May 22, 1964, for tree removal, tree repairing and spraying. **Voted** to approve award of contract expiring April 30, 1965, to Pollock Brothers Tree Service, Inc., of Weston.

Voted to accept the proposal of E. J. Bleiler Equipment Company Inc., Needham, Mass., dated June 1, 1964, submitted pursuant to notice to bidders advertised May 25, 1964, in The News Tribune, Waltham, Mass., for furnishing in accordance with Notice to Bidders, Information and Instructions and Specifications a Yale and Towne Trojan front-end loader, model 164, for the Highway Department, for the sum of \$16,085. less trade-in allowance of \$3,052. for used Buffalo-Springfield Road Roller, making a net cost of \$13,033. to the Town of Weston.

June 12, 1964:

Voted to approve the acceptance by the Chief of the Fire Department of proposal of Peter Pirsch & Sons, Company of Kenosha, Wisconsin dated May 26, 1964, submitted pursuant to notice to bidders advertised May 12, 1964, in The News-Tribune, Waltham, Mass., for furnishing on a chassis to be supplied by the Town one 750 gallons per minute rated fire pumper in accordance with Notice to Bidders, Instructions and Specifications for the sum of \$11,519.50. Further **voted** to accept the company's additional proposal to furnish transformer with weather proof outlets on this apparatus for the additional sum of \$275.00 making the total price \$11,794.50.

Voted to submit request to Emergency Finance Board for early hearing on petition for approval of loan for construction of addition to Woodland School after project approval is granted by School Building Assistance Commission.

June 15, 1964:

A Memorandum of Understanding between the Town of Weston and the Department of Public Works for comprehensive planning was discussed, the opinion of town counsel was received approving the Memorandum and it was **voted** to approve and sign the document which was done accordingly.

June 22, 1964:

Voted to accept proposals submitted pursuant to notice to bidders advertised June 10, 1964, in The News-Tribune, Waltham, Mass., for furnishing fuels for town buildings for the year ending June 30, 1965 as follows:

a) Marvel Heat Corporation, Boston, Mass., dated June 16, 1964, for No. 2 fuel oil at the posted tank car price for the Boston Market as published in the New York Journal of Commerce for the day of delivery plus a firm increment of \$.003 per gallon.

b) Concord Oil Company, Inc., Concord, Mass., dated June 16, 1964, for No. 5 fuel oil at the posted tank car price for the Boston Market as published in the New York Journal of Commerce for the day of delivery less a firm increment of \$.1499 per barrel and less a temporary voluntary discount of \$.10 per barrel in effect on the date of the proposal and for No. 6 fuel oil at the posted tank car price for the Boston Market as published in the New York Journal of Commerce for the day of delivery less a firm increment of \$.1099 per barrel and less a temporary voluntary discount of \$.10 per barrel in effect on the date of the proposal.

These were the lowest net bids received pursuant to advertising.

Voted to accept the proposal of Massachusetts Broken Stone Company dated June 19, 1964, submitted pursuant to Notice to Bidders advertised June 13, 1964 in the News-Tribune, Waltham, Mass. for furnishing bituminous concrete mix for highway purposes to various locations in the Town of Weston for the unit prices of \$5.00 per net ton at the supplier's plant and \$5.50 per net ton delivered to various locations in Weston. This was the lowest bid received. Further **voted** to authorize the preparation of contract and forwarding to the company for execution.

June 30, 1964:

Voted to approve and signed accordingly a Memorandum of Agreement with the State Department of Public Works in the amount of \$1,500. for Chapter 90 maintenance work on North Avenue from the Lincoln line east for a distance of approximately 3,000 feet.

Voted to accept the proposal of Ellis Motor Company, Inc. of Marlboro, Mass., dated June 24, 1964, submitted pursuant to notice to bidders advertised June 19, 1964, in The News-Tribune, Waltham, Mass. for furnishing in accordance with Notice to Bidders, Information and Instructions and Specifications, a new 1964 model Ford station wagon for the sum of \$2,468.06 less trade-in allowance of \$800.00 for used 1963 Ford Country Sedan, making a net cost of \$1,668.06 to the Town of Weston. This was the lowest net bid received pursuant to advertising as indicated above.

Voted: To approve and confirm acceptance and recording of a deed from Robert S. Sturgis and Alexander Day Mackintosh to the Town of 2.09 acres of land more or less on the south side of the Boston Post Road (shown on Plan of June 10, 1964, No. 14-1-H82), and the delivery to Sturgis and Mackintosh of checks of the Town for the purchase price, \$49,500.00; also apportionment of the 1964 tax on the Sturgis and Mackintosh land whereby the Town will pay the balance in excess of \$317.45.

July 14, 1964:

Voted to accept the proposal of Gulf Oil Corporation dated July 6, 1964, submitted pursuant to notice to bidders advertised July 1, 1964, in The News-Tribune, Waltham, Mass. for furnishing for the year ending

June 30, 1965, either Good Gulf regular gasoline at the posted commercial consumers' tank wagon price for the Boston Market less a firm increment of \$.053 per gallon plus Commonwealth of Massachusetts tax of \$.055 per gallon, or Gulf New No-Nox premium gasoline at the posted commercial consumers' tank wagon price for the Boston Market less a firm increment of \$.067 per gallon plus Commonwealth of Massachusetts tax of \$.055 per gallon.

July 21, 1964:

Voted that the Town Treasurer with the approval of the Selectmen borrow \$500,000 by the issue and sale of notes in anticipation of revenue as authorized by vote of the annual Town Meeting held on March 30, 1964, under Article 3.

That nine notes, three in the amount of \$100,000., two in the amount of \$50,000., and four in the amount of \$25,000. authorized to be issued by vote of the Town duly adopted March 30, 1964 and by vote of the Selectmen earlier at this meeting, shall be issued, shall be dated July 21, 1964, shall mature November 16, 1964, that the interest rate on said notes shall be fixed at 1.578 per cent per annum discounted at date of issue, and that the Director of Accounts of the Bureau of Accounts of the Commonwealth shall certify as to the genuineness of said notes.

Further **voted** to approve the sale of said notes to the First National Bank of Boston at par less interest discounted and that the Town Treasurer be and she hereby is authorized to deliver said notes to the aforesaid purchaser.

Further **voted** to sign the said notes which were accordingly signed.

August 4, 1964:

Voted to award contract to Kessler Company, of Walpole, Mass. for painting to be done at the Town Hall and at the Town's building located at 626 Boston Post Road, Weston, in accordance with contract and specifications, for the sum of \$2,887.00. This was the lowest bid submitted pursuant to advertising for bids in The News-Tribune, Waltham, Mass., July 23, 1964.

Voted to accept a legacy in the amount of \$300. from the estate of B. Loring Young. Further **voted** that the use of the money shall be recommended by the Selectmen to and decided by a vote of the town at a subsequent town meeting.

September 1, 1964:

Voted to accept the proposal of The National Cash Register Company dated August 26, 1964, submitted pursuant to notice to bidders advertised August 20, 1964, in The News-Tribune, Waltham, Mass. for furnishing a remittance control machine, for use in Treasurer and Collector's office, in accordance with Notice to Bidders, Information and Instructions and Specifications, for the sum of \$2,762.50. This was the lowest bid received.

September 15, 1964:

Voted under the provisions of General Laws, Chapter 51, Section 30, that the Registrars of Voters be not required to hold sessions for registration of voters in precinct 2.

September 29, 1964:

Voted to accept the proposal of International Harvester Company of Boston, Mass., dated September 25, 1964, submitted pursuant to notice to bidders advertised September 18, 1964, in The News-Tribune, Waltham, Mass., for furnishing in accordance with Notice to Bidders, Information and Instructions and Specifications, for use of the Highway Department, a dump truck, International Model R-185 for the sum of \$5,774.19. This was the lowest bid received pursuant to advertising.

Voted under the authority of General Laws, Chapter 85, Section 3, to change the name of that portion of Hickory Road located between Cliff Road and Shady Hill Road to Scotch Pine Road effective January 1, 1965, and to authorize the sending of notices to abutters and interested parties.

October 13, 1964:

Voted to adopt and sign the warrant for a special town meeting to be held on October 26, 1964, and that attested copies thereof be posted at the Town Hall, at the Kendal Green railroad station, and on the town bulletin board at the junction of South Avenue and Newton Street. The warrant was signed accordingly.

Voted to adopt and sign the warrant for the State election to be held on Tuesday, November 3, 1964, and that attested copies thereof be posted at the Town Hall, at the Kendal Green railroad station and on the town bulletin board at the junction of South Avenue and Newton Street. The warrant was signed accordingly.

October 21, 1964:

Voted to award a renewal contract between Town of Weston and Massachusetts Hospital Service, Inc. and Massachusetts Medical Service, Inc. (Blue Cross-Blue Shield) for group blanket hospital, medical and surgical insurance for town employees for the year December 1, 1964 to December 1, 1965, under the provisions of Chapter 32B of the General Laws.

November 9, 1964:

Voted that the Traffic Rules and Orders of the Town of Weston adopted by the Board of Selectmen September 10, 1956, are hereby amended as follows:

Article VII, Section 8, is amended by adding to Schedule 3 thereof the following location:

Ash Street—for northeast bound drivers at Newton Street.

November 17, 1964:

Voted to award renewal contract to Boston Mutual Insurance Company for group life and accidental means death and dismemberment insurance for town employees for the year December 1, 1964 to December 1, 1965 under the provisions of Chapter 32B of the General Laws.

December 10, 1964:

Voted that the action taken by the Town Treasurer to advertise the \$260,000 Weston School Project Loan, Act of 1948, No. 11, bonds, authorized to be issued by vote of the Town duly adopted under Article 1 of the Warrant for the June 9, 1964 Special Town Meeting, be and it hereby is ratified, approved and confirmed;

That said \$260,000 Weston School Project Loan, Act of 1948, No. 11, bonds shall be dated as of December 1, 1964;

That said bonds shall mature \$20,000 on December 1, in each of the years 1965 to 1971, inclusive, and \$15,000 on December 1, in each of the years 1972 to 1979, inclusive; shall be in the denomination of \$5,000 each; and shall be numbered 1 to 52, inclusive;

That Boston Safe Deposit and Trust Company shall certify as to the genuineness of said bonds;

That the interest rate on said bonds be and it hereby is fixed at 2.90% per annum, payable semiannually;

That the bid of White, Weld & Company of Boston, to purchase said bonds, bearing interest at the rate of 2.90% per annum, payable semi-annually, at 100.42 and interest accrued to date of delivery, being the best bid received for said bonds, be and it hereby is accepted and the Town Treasurer be and she hereby is authorized and directed to deliver said bonds to the aforesaid purchaser or order against payment therefor.

December 15, 1964:

Voted to approve for removal of ice and snow, upon petition of the abutters, the private ways Wood Ridge Road and Wood Ridge Circle.

Voted to accept the proposal of Norwood Printing Company, Inc., of Norwood, Mass., dated December 11, 1964, submitted pursuant to notice to bidders advertised December 7, 1964, in The News-Tribune, Waltham, Mass., for printing the 1964 Weston Town Report at the unit prices set forth in the proposal for an estimated cost of \$2,673.00 based on the number of pages, at each price, assumed for bid comparison purposes only.

December 22, 1964:

Voted to authorize increase of \$586,900 in blanket fire and extended coverage insurance on Town buildings and contents based on appraisal report prepared by Boston Manufacturers Mutual Insurance Company.
